Gentlemen:

Am interested in obtaining information (not for publication) relative to Gerald L.K. Smith. He has recently made an appearance in Dallas and the Southwest. As I recall he was quite active during the late 1930's and may have been associated with the "Silver Shirts".

Am also attaching hereto a copy of a questionable sheet which has been distributed from outside Dalhart and from within Dalhart. As you can readily see it is a hate sheet of a volatile nature. What information do you have on "Common Sense, 530 Chestnut St., Union New Jersey?" Is it a front organization or a money making scheme or a legitimate effort?

Any information you may provide me will be greatly appreciated.

Sincerely,

J. Kenneth Hogue, Publisher

of the [redacted] at Anchorage, and very cooper-

other members of the American Legion throughout Alaska.

[redacted] pointed out that he feels this type of

come into the hands of certain people in Alaska, par-
ticularly those who are not well educated. He is
desirous of knowing something about the origin and back-
ground of this publication, and I tactfully informed him

Bureau advice is solicited as to how, under

(OO: Newark)

Re Anchorage letter to Bureau, 4/19/57 requesting
advice on how to be of possible assistance to [redacted]
[redacted] American Legion, Alaska, who
is interested in obtaining any available information on the
publication "Common Sense."

Under date of December 17, 1954, the Committee on
Un-American Activities of the U.S. House of Representatives
published a "preliminary report on Neo-Fascist and Hate groups"
in which the growth, objectives and the editor of "Common
Sense" are discussed at length. The report indicates the
publication has a fluctuating circulation of between 30,000
and 100,000 copies.

In the HCUA report, "Common Sense" is described as
a "hate group" vehicle publishing "some of the most vitriolic
hate propaganda ever to come to the attention of the Committee."
According to the report, "Common Sense" depicts Communism as
"Judaism" and devotes its pages almost exclusively to attacks
on the Jewish, and to a lesser extent, the Negro minorities in
our nation. Sympathy for the former Nazi Regime in Germany
is also injected into this propaganda.

Newark does not have a copy of the House Committee
Report of 12/17/54 but suggests that a copy of this report
might be obtained by [redacted] either by his local depository
library or by writing to the U.S. Department of Documents. With
this publication at hand, [redacted] would be able to make an
evaluation of the material "Common Sense" which he reports having
received from members of the American Legion throughout Alaska.

Gentlemen:

Herewith is a mass of printed matter which I received through the Post Office in the wrapper as enclosed. My name was evidently taken from the Army Register of Retired Officers.

I opened and read some of the matter. It seems to be a "devisave" step slanted at the Jewish race as such and not at any specific evil or wrong doing on the part of particular persons.

You no doubt know "what is cooking" but it looks to me like an attempt to transfer some of the "Commie" odor to a race of people and thus receive Communism of its full share. I am not in any sense a Jew - Just American. I know that race has little to do with Patriotism and that efforts to divide the people of our country regardless of the motive are evil.

If I can help your work by visiting ~~and~~ for other matter I shall be glad to do so, or in any manner you wish. I am 71 years of age, but still able to do a little.

Extracts from The Daily Worker of New York

(A COMMUNIST PUBLICATION)

CONCERNING CARL HOLDERMAN, DIRECTOR OF LABOR AND INDUSTRY OF THE STATE OF NEW JERSEY.

Mr. Holderman is Vice-Chairman of Americans for Democratic Action (ADA) AND a backer of HARRISON WILLIAMS, CONGRESSMAN FROM THIS DISTRICT.

DAILY WORKER, NEW YORK, WEDNESDAY, MARCH 4, 1942

Jersey State CIO Urges FDR To Release Earl Browder

(Special to the Daily Worker)

NEWARK, March 3.—A resolution appealing to President Roosevelt to release Earl Browder was passed by the executive board of the New Jersey CIO. It was announced here today.

The state's CIO, with a membership of more than a quarter million, is the latest state labor body to call for freedom of the Communist leader.

The action, coming on an appeal of the Citizens' Committee to Free Earl Browder, was taken with only two dissenting votes, Irving Abram-

son, President of the Council revealed.

He said that he as well as Secretary Peter Flynn, president of Local 16, Industrial Union of Marine and Shipbuilding Workers, and Treasurer, Carl Holderman, prominent leader of the Textile Workers Union, were among those who favored the resolution.

"We have passed the resolution and will do everything we can for the release of Browder," Abramson told the Daily Worker.

In discussing the discussion on the resolution, Abramson stressed that the executive board feels that

have nothing to do with the fight in defense of his civil rights.

THE WORKER, SUNDAY, AUGUST 12, 1951

CARL HOLDERMAN, president of the New Jersey State CIO, blasted government representatives who are denying bail to victims of the Smith Act as "extreme reactionaries . . . enemies of the people who are attacking our civil rights under the guise of extending democracy."

Speaking at the opening session of the CIO's Home Front Institute at Rutgers University, Holderman declared:

"To deny bail to any unpopular minority group," he said, "is to create a situation fraught with danger when it is realized that such a denial can serve to negate the entire judicial process of habeas corpus, a fundamental right preserved only within democratic countries."

PEOPLES DAILY WORLD, THURSDAY, AUGUST 16, 1951 DAILY WORKER, NEW YORK, THURSDAY, NOVEMBER 20, 1947

CIO CHIEF FLAYS DENIAL OF BAIL

NEW BRUNSWICK, Aug. 15 (FP)—Government representatives who have been denying bail to Communist party leaders arrested under the Smith Act were blasted by New Jersey CIO Pres. Carl Holderman as "extreme reactionaries . . . enemies of the people who are attacking our civil rights under the guise of extending democracy."

Speaking at the opening session of the CIO's Home Front Institute held at Rutgers university, Holderman underlined the threat bail denial presents to all Americans.

"To deny bail to any unpopular minority group," he said, "is to create a situation fraught with danger when it is realized that such a denial can serve to negate the entire judicial process of habeas corpus, a fundamental right preserved only within democratic countries."

Holderman said true Americans "will stand up and fight for the principles of freedom of speech and freedom of thought upon which our nation has grown great. We should thank God for a man like Judge Learned Hand, who has condemned the practice of denying bail to an unpopular minority group. Judge Hand's deep understanding and love for the basic principles of American democracy, as exemplified by his decisions throughout the years, is a bulwark against the denial of civil liberties to any Americans, regardless of how unpopular or unorthodox his views may be.

"We condemn with all the vigor at our command those reactionary citizens who are now employing Communist tactics in an alleged attempt to preach democracy."

Notables Talk at Newark Free Speech Rally Tonight

NEWARK, Nov. 19.—Tonight's civil rights rally at Newark's Mosque Theatre will mark "a new high in New Jersey's struggle for the Bill of Rights" in the opinion of Emil Oxfield, New Jersey representative of the American Civil Liberties Union, who will open the meeting for the ACLU.

Speakers will include Dr. Frank Kingdon, radio commentator and candidate for Democratic nomination for U. S. Senator; Roger Baldwin and Arthur Garfield Hays of the Civil Liberties Union; Robert Thompson, Distinguished Service Cross holder and chairman of the New York state Communist Party; Sid Stein, chairman of the New Jersey Communist Party; Carl Holderman, chairman of the New Jersey CIO Council; James Marshall, business agent of AFL Building Service Employees Local 68 and Democratic candidate for state assembly; Sam-

uel Newberger, of the national Civil Rights Congress, and Betram Folow, chairman of the Newark American Veterans Committee.

Speakers were chosen, Oxfield said, as representatives of those organizations denied use of meeting halls in Newark recently as the result of intimidation charged to Newark police authorities.

Civil Liberties Union sponsorship of the rally originated in a broad delegation of New Jersey citizens who secured assurances from Newark's city commission last week that

alleged police intimidation of hall owners would cease.

Oxfield pointed out that since the public indignation expressed at the city commission meeting last week, three organizations previously denied use of halls have succeeded in holding Newark meetings. Stein spoke for the Communist Party at Continental Ballroom, Kingdon at the YWCA under AVC auspices, and the Civil Rights Congress—denied use of the Essex House—held a statewide conference with 110 delegates at the Belleville Italian Baptist Church.

On February 13, 1952, it was announced that foreign investors would be allowed to bring in all their capital in the form of machinery, equipment, and raw materials. Previously, only half of imported capital could be in this form.

There is no remittance tax on exchange transactions. Normally the amount of dollar exchange permitted to be withdrawn from profits is 10% annually. two discoveries would result from the entire exploratory drilling program, using this assumption to base an exploitation evaluation which follows in order to illustrate the operation of petroleum and tax laws in terms of net profits division. The direct costs of exploratory drilling are estimated at US \$1,400,000 over the three year period. Reduction of drilling costs in the second and third exploratory wells would result from increased efficiency - a normal expectation as organization and technique improve with experience in the course of operations.

The total cost of the exploratory program outlined above is estimated at US \$3,481,800. This is an average cost of US \$7.25 per acre, considered an above average exploratory cost, explainable partly by the small scale of operations assumed and partly by the relatively high price levels within Israel.

Edgar J. Hoover
Director of Federal Bureau of Investigation
Washington, D.C.

Dear Sir;

For some time now little peices of gossip and very small newspaper items have irked me because as an American these things dont seem to hold true to our American way of life.

First of all I am an American, and mabe thats why its hard for me to understand what makes men in our Government Communists, but if youll answer some of my questions mabe you can set me strait.

I have at hand a news bulletin bulletin called Common Sense which has been available to the public since 1948 and has been Registered in the U.S. Patent Office on that year.

My question is; If the paper is Unamerican why havent they been stopped? And if they are right which is the only other conclusion I can come up with, why have our top officials stood quietly by and allowed this conspiracy to hatch?

Surely this Editor has neither the talent nor the time to spend on this investigation of loyalty that your Bureau has, so the only conclusion I can draw is that you do have these facts on file, and if this is correct then our Executive Dept. has also been informed, because if I can remember correctly the information that you gather is then forewarded to them.

b6
b7C

This letter was not meant to be a cross examination of your Dept. or its methods, because for as long as I can remember (I'm 30) your Dept.s and your own methods have been exemplary.

If our Executive Dept. has this information, then how could the President bring himself to appoint a man like Felix Frankfurter to a position of such power?

RECORDED - 24 105-9621-282

This last Question is hypothetical, but as an American I feel deserves an answer; As head of one of our top Investigating forces, you should uncover incontrovertible evidence to overthrow our Government-and if our Executive Dept. officials were included in the plot- could you as an American press charges of Treason, and expose them to the public?

If you can answer yes to this one Question you'll do an awfull lot for my, and many more Americans, peace of mind.

"Common Sense", formerly known as "Think Weekly," is a bi-monthly tabloid-size newspaper published in Union, N.J. Various issues of "Common Sense" advertise books, magazines and pamphlets as being available through the Christian Educational Association of Union, N.J.

Under date of December 17, 1954, the Committee on Un-American Activities of the U.S. House of Representatives published a "preliminary report on Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 20,000 and 100,000 copies.

In the ECUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most virulent hate propaganda ever to come to the attention of the Committee." NOTE: -By letter 5/21/57 correspondent requested "a good bundle" of reprints of "Communist 'New Look' - A Study in Duplicity" for distribution in church fellowship meetings being held in her city. She was sent 10 copies by Bulet 5/29/57 and permission was granted her to reprint this article, should she so desire. (94-3-4-396) She was not identifiable in Bufiles at that time.

It will be noted that correspondent's current letter enclosed a copy of "Common Sense--The Nation's Anti-Communist Newspaper" and her letter also reflects anti-Semitic feeling, as well as an apparent attack upon the United Nations, UNESCO and the NAACP. It is believed that no point would be served in commenting concerning her enclosure indicating that an investigation of the late Senator McCarthy's death is in order.

Dear Mr. Hoover;

I received your letter of May 29th, 1957,

I want to thank you for these sheets on "COMMUNIST "NEW LOOK", I have segeal
ministers of which I want to give these too.

Mr. Hoover, may I ask you some questions, questions which many of the AMERICAN
people are asking. "WHO ARE THE COMMUNISTS?",

Did you know that the HOLY BIBLE WARNS US OF WHAT WILL HAPPEN? and we are
supposed to warn the wicked ones. if we do not warn them, then GOD HOLDS US
GUILTY OF HIS SINS. in EZEKIEL 33, chapter the 8th, and 9th verses. if we warn the
communists of their wrongs, then GOD WILL NOT REQUIRE his blood on our hands.

GOD'S LAWS ARE MORE POWERFUL THAN MAN MADE LAWS. AS GOD TELLS US IN THE BIBLE
to be on the look-out for the destroyer of the Gentiles, in "JEREMIAH, 4th chpt
7th, verse.

OUR nation has disobeyed GOD'S LAWS, as we have not lived up to our AMERICAN
CONSTITUTION, and the BILL OF RIGHTS, as our constitution tells us NOT TO GO
INTO OTHER NATIONS, AND GOD'S LAWS TELLS US THE SAME THING. as we can see in
the old testament, in SECOND KINGS 11th vhafter, 2nd verse we read these words
"CONCERNING THE NATIOND, Ye shall NOT GO IN TO THEM, neither shall they come
in unto you, FOR SURELY THEY WILL TURN AWAY YOUR HEARTS AFTER THEIR GODS.
what about this godless united nations, nothing but a godless outfit.

Again we see where GOD IS WARNING US, IN SECOND CORINTHIANS, 6th, chapter 14th
verse, "BE YE NOT UNEQUALLY YOKED TO-GETHER WITH UNBELIEVERS. now again GOD
TELLS us once more to, "COME OUT OF HER, MY PEOPLE THAT YE BE NOT PARTAKERS OF
HER SIMS, IN REVELATION, 18th chapter 4th, verse.

WE ALL ARE FIGHTING the communists but WHO are they? GOD TELLS US WHO THEY ARE

I have my suspicions of the events leading up to Joe McCarthy's death. After all, we all know the Reds hated Joe like they hated no one else. Is it possible that they somehow could have gotten to Joe?

I trust no Commie, they are capable of performing the most dastardly of deeds. I think a complete investigation should be made by J. Edgar Hoover and his FBI of Joe McCarthy's death.

The "Daily Worker" is an East Coast Communist newspaper and "The Worker" is the Sunday edition of the "Daily Worker".

is an employee of the Bell Telephone Company and described her as white, 5'5", 135 lbs., 55 to 60 years of age. red auburn hair streaked with grey. According to [redacted] HANNAH CUMMINGS was known in the neighborhood as having "radical political ideas"; however, she could not provide any specific information in this regard nor could she elaborate on the terminology "radical political ideas".

A review of records of the deeds to property located at the Philadelphia City Hall made by SE [redacted] on 4/17/57 reflected that BRIDGET CUMMINGS, widow of JOHN CUMMINGS, who died on 9/5/25, transferred the deed for the property located at 1336 West Lycoming St. on 11/2/45 to her daughter, HANNAH B. CUMMINGS, for the consideration of \$100.00. PA.

T-1, who has furnished reliable information in the past, reported on 4/19/57 that HANNAH B. CUMMINGS was an employee of the Bell Telephone Company of Pennsylvania, 1631 Arch St., Philadelphia, Pa., and was presently employed as a "senior clerk" in the General Traffic Engineer's Office, third floor, Widener Building, Philadelphia, Pa. She was originally employed on 3/20/16 and is now eligible for retirement. She had been a supervisor of long distance operators up to 1945. Her date of birth was 2/24/92 Philadelphia, Pa. b6 b7C

On 4/25/57 [redacted] who is employed as a seaman out of the Sailor's Union of the Pacific, reported to SA [redacted] that he had recently completed a trip to Israel and that upon his return to New Orleans he had taken the Missouri-Pacific Railroad from New Orleans to Houston. During the trip, he engaged in conversation with a man who called himself [redacted] a brakeman or flagman for the Missouri-Pacific Railroad. b6 b7C

[redacted] furnished [redacted] with a number of items, including a copy of "The Coming Red Dictatorship", issued by "Common Sense"; windshield stickers bearing the slogan "Do Not Persecute the Negro. The international Jew is the perpetrator of world Communism and racial agitation. Arthur Spingarn, President of NAACP, is a Jew, not a Negro"; and

a windshield sticker bearing the slogan "For racial privacy today and forever join K.K.K. now. Write to Box 5062, Waco, Texas".

On 4/24/57 [] received a carbon copy of a letter dated April 21, 1957, at Houston, Texas, addressed to Mr. CONDE MC GINLEY, P.O. 807, Union, N.J. On top of the letter was a sticker printed as follows: []
[] Boycott System, 1605 Scott St., Houston, Texas".

In the letter to MC GINLEY [] asked MC GINLEY to send a copy of the "Protocols of the Learned Elders of Zion" and a one year subscription of "Common Sense" to []
[] also asked MC GINLEY to send him several publications.

b6
b7c

The letter dated April 21, 1957, indicates that [] is a regular correspondent of MC GINLEY. In the letter, [] indicated that he was "glad to hear of your visit to the Biloxi (Miss.) meeting in order that you can get away from all of your worries and at the same time meet lots of fine people, I am sure that you will meet a few of my co-workers".

Copies of the publication "Common Sense" continue to be mailed in a white envelope bearing the return address "Christian Educational Association, Union, N.J.".

The publications available through the CEA continue to be advertised in the pages of "Common Sense".

The United States Department of Justice, in a memorandum dated May 13, 1957, set forth the opinion that a study of available information relating to the CEA of Union, N.J., has resulted in a finding that the organization and its activities are not such as to bring it within the purview of Executive Order 10450 at this time.

Under date of December 17, 1954, the Committee on Un-American Activities of the U.S. House of Representatives published a "preliminary report on Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 30,000 and 100,000 copies.

NK 105-1910

In the HCUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

Subject: "COMMON SENSE"
INFORMATION CONCERNING

CLASSIFIED
3-21-66 SP5 JCL/mc

The Honorable ROBERT C. HILL, U. S. Ambassador to Mexico, was in receipt of a communication addressed to him at the State Department in Washington and forwarded to the Ambassador in Mexico, D. C. It was noted that the communication contained a copy of "Common Sense", which labeled itself as "The Nation's Anti-Communist Newspaper." Its masthead reflected that this paper was printed in Union, New Jersey, U. S. A. on July 15, 1957. This particular issue contained a front page article entitled "The Supreme Court . . . Communism's Trojan Horse in the U. S. A." It also contained an article entitled "The Nine Strong Men of Our High Court." In addition, there was enclosed in the communication to the Ambassador, a large single sheet, apparently also printed by "Common Sense." This read, "The Coming Red Dictatorship."

As a sub-heading, it had the following, "Asiatic Marxist Jews Control Entire World as Last World War Commences. Thousands of Plotters Placed in Key Positions by Invisible Government. Few Were Ever Elected." The words "Key" and "Invisible Government" in the sub-heading were underlined in red crayon.

Inasmuch as the U. S. Ambassador to Mexico made this available to the Legat Attache, it is requested that the Bureau ask the Newark Office, which undoubtedly has a case file on this newspaper, to make available to the Legat, a thumbnail sketch of "Common Sense" so that it may be available in the event the U. S. Ambassador makes further inquiry concerning this newspaper.

The articles quoted above are not being forwarded inasmuch as it is believed they are available to Newark and the Bureau.

An additional copy of this communication has been prepared for dissemination to the Newark Office.

Dear J. Edgar:

Thank you for your thoughtfulness in continuing to send to me your regular confidential memoranda regarding the activity of the Communist Party in the United States.

These are very helpful, for as you know they give a considerable amount of internal attention to the subject for which I am responsible in the negotiations here in London. We are also able to note the relationships between their internal line, the broadcasts from Moscow, the activities in Eastern Europe and the actual process of the negotiations.

On a new subject, I am enclosing a folder I just received together with the envelope in which it arrived. I assume you are thoroughly aware of this activity from other sources. It is a more extreme, up-to-date attempt to ... than I have seen before.

Thanks again for your continuing courtesy and cooperation. I will look forward to seeing you again personally when I return to the United States.

Sincerely,

Harold E. Stassen

On September 13, 1955, [redacted]
[redacted] Delmarva News, a weekly newspaper of Selbyville,
Delaware, advised he received an envelope, addressed to him,
postmarked at Milford, Delaware, on September 6, 1955, containing
a yellow circular concerning the KKK. This circular set forth
the tenets of the Ku Klux Klan religion and the qualifications
for membership in the Ku Klux Klan religion.

[redacted] said this circular was sent to him shortly
after he published an article which was critical of the KKK.
He advised he is familiar with the handwriting of [redacted]
[redacted] Ellendale, Delaware, who is known to him through

the envelope containing the circular to be [redacted] handwriting.
[redacted] said he was so sure [redacted] sent him the KKK
circular that he answered the circular with a letter to [redacted]
telling [redacted] that he was sure [redacted] mailed the circular to
him. [redacted] received no reply to his letter to

[redacted] was unable to furnish any information indicating

that [redacted] Ellendale, Delaware, made the statement that he had a plan for a Klan revival. This source said [redacted] was also alleged to have stated he had [redacted] a Klan in Milford, Delaware, and the environs of Milford with a membership of 300 people to date and that [redacted] stated he was working with a Klan [redacted] by the name of [redacted] in Atlanta, Georgia. Source advised that in September, 1955, [redacted] was making a trip throughout the South organizing what [redacted] called a Klan revival. (S)(u)

On July 20, 1956, [redacted] Delaware State Police, Georgetown, Delaware, advised SA [redacted] Federal Bureau of Investigation, that he had recently received information from a source, not further identified, to the effect that [redacted] Ellendale, Delaware, made a statement that the Klan was going to get started in Delaware [redacted] said [redacted] asked his source if he would be interested in joining the Klan.

[redacted] also advised that he recalled seeing a newspaper article over a year prior to July, 1956, which article stated that during a speech given by [redacted] in Easton, Maryland, [redacted] had invited the leader of the KKK to come to Delaware to organize.

[redacted] reported that his organization had developed no information indicating the organization of the KKK in Delaware. [redacted] said some information had been received that [redacted] had on occasions in the past talked to various persons concerning the KKK.

On August 16, 1956, [redacted] furnished the following information:

[redacted] met [redacted] Ellendale, Delaware, in late 1953, and became acquainted with [redacted] both as a [redacted] in Ellendale and as a [redacted]

[redacted] never actually approached [redacted] to join any organization, but he believed [redacted] attempted to gauge his reaction concerning the KKK on one occasion in 1956 when [redacted] mentioned something about what [redacted] thought of people who would sign an oath, by an X, in blood, on paper, to kill each other if either double-crossed the other. [redacted] made no explanation of this remark and [redacted] disregarded the comment by [redacted]

On May 27, 1957, a second source, who has furnished reliable information in the past, advised [redacted] Knights of the Ku Klux Klan in North Carolina stated on May 27, 1957, that "the Klan" has Klaverns in the north, including Maryland and Delaware.

~~CONFIDENTIAL~~
This second source said [] stated [] in Delaware lives in Milford, Delaware, and is a big man with plenty of money, but [] did not identify the man at that time.

This source said [] also stated he and others from North and South Carolina would put on a public Klan meeting at Milford, Delaware, shortly after the first of July, 1957. [] said the man in Milford had said they might as well have an open meeting of "the Klan" there and let the Negroes know they will not permit a second attempt to integrate the schools there. [] continued that those from the Carolinas would put on the meeting because they did not want any chance of having the officers in the North identified. [] indicated Klansmen from Illinois, West Virginia, Pennsylvania, New York, New Jersey, Maryland, Virginia and North and South Carolina would participate in this affair.

On June 8, 1957, this second source identified the man referred to by [] as the [] KKK in Delaware []

He advised that on June 8, 1957, [] stated that [] and others from "up North" were to come through Charlotte, North Carolina, on the late afternoon of June 8, 1957, en route to Columbia, South Carolina, where they were to attend a public meeting of the United States Klans, Knights of the KKK.

On June 17, 1957, this second source advised that during June, 1957, [] of Ellendale, Delaware, made the following statements:

[] stated he attended a public meeting of the United States Klans, Knights of the KKK held at Columbia, South Carolina, June 8, 1957, and was [] at that meeting. [] stated that in September the Battle of Delaware would begin and there would not be any racial integration in the schools in Delaware.

[] has stated that after the public meeting at Columbia had been held he met privately with [] and others near Columbia. He said that at this meeting it was agreed there would no longer be attacks made against the Catholics blaming them for racial integration, and he stated the objective now is to go after the "Zionist Jews" for trying to destroy the Christian religion and the United States Government.

[] stated [] the States Rights Citizens Council of Georgia and that this is the real organization behind the U. S. Klans, which is just a public front. [] stated "they" are

going to affiliate all organizations that are fighting integration and are setting up a Board to fix the strategy throughout the country. He mentioned that one of the national leaders is [redacted] oil millionaire in Texas, and another is JOHN CROMMELIN, a retired Rear Admiral in the United States Navy who ran last year for the United States Senate from Alabama. [redacted] and other individuals discussed that this national strategy Board of Directors will have representatives from all organizations which are fighting integration and that the fighting between them must be stopped and they must all operate with the same objective.

[redacted] stated [redacted] Citizens Councils in Mississippi, the Seaboard White Citizens Councils which has headquarters in Washington, D. C., and the Virginia Defenders. He commented that in the North it would not be possible to have an organization with Ku Klux Klan in the title but that there are lots of organizations under other names with the same objective.

[redacted] has made the statement that guns will be necessary "to win this battle" and that it cannot be done by talking. He said it only takes a few men in the right places to take care of things - to hit the leaders of things like the National Association for the Advancement of Colored People and not the innocent Negroes who are following them. [redacted] had made a statement, according to this source, that two Supreme Court Justices who retired after having made decisions in favor of Communists and in favor of racial integration should have been shot soon after their retirement. He made a statement that others in office who take actions along those lines should be shot but that this should happen after they leave office as a warning to others who follow them in office. In this connection mention was made of the Governor of Tennessee for calling out the National Guard during the trouble in Clinton, Tennessee, over integration in a school there. No statement was heard to the effect such people actually are going to be shot but just that it should be done.

b6
b7C
b7D

[redacted] made statements to the effect that it is the "Zionist Jews" who are promoting Communism and racial integration for the purpose of weakening America. He stated that some "Jews" are against these things and that at least one is cooperating with "us."

[redacted] stated that [redacted] of Florida, [redacted] and [redacted] of Alabama will probably be the strategy men in the rear when the battle comes. He said that [redacted] is too smart a man to be out in front and identified any longer. He also stated that [redacted] has a good underground Army because his men are not

afraid to do what they are ordered since they know if they are tried they will be found not guilty. [] commented that if the jury had found some men guilty in a recent bombing trial in Montgomery, Alabama, they would not have lived thirty days. [] stated that "Jewish leaders in the National Association for the Advancement of Colored People" have planted some Negroes in Milford and Dover, Delaware, to try to get their children into white schools this Fall. He made the statement that these Negroes would be told not to do it in order to avoid trouble but if they go ahead there would be trouble. [] stated that he travels all over the country in connection with organizations that are fighting racial integration. He stated that the real problem in this country is not in the South; that the Negroes will be kept out of the white schools in the South; but that in the North where the "Jews" are getting control is where the problem is.

[] stated that the "Zionist Jews" are behind the trouble in this country over integration and that they are the ones in favor of Communism, to destroy this country. [] made a statement to the effect that before his daughter goes to school with a Negro ten thousand "Jews" will be killed. He stated that most of the people who have been convicted of treason and espionage against this country have been "Jews." He stated that JOHN EDGAR HOOVER of the Federal Bureau of Investigation is a prisoner of the courts in his fight against Communism because of court decisions in favor of Communism. According to this source, [] has made the statement that the recent Supreme Court decision that the Federal Bureau of Investigation had to show its records to a Communist on trial could help "our men" but that the decision is bad because it will enable the Communists to destroy the country.

b6
b7C
b7D

[] has made the statement that Jewish doctors killed Senator JOSEPH MC CARTHY by giving him some kind of drug or chemicals that destroyed his liver. [] has made the statement, according to this source, that the Association of South Carolina Klans, Knights of the Ku Klux Klan will have to get into line. He stated officials of that organization say they are against violence but [] stated that violence would be necessary in getting rid of "Jews" and Communists.

In connection with not being against Catholics, [] had stated that some of the biggest support "we are getting" is from Catholics as individuals and in this connection he mentioned Louisiana and New York City. He said that the Priests and the Pope are in favor of racial integration but that the Catholics

themselves are paying no attention to this. He has also stated that the heads of other churches have passed resolutions in favor of integration but no attention is being paid to them.

[] has stated that a meeting is to be held June 26, 1957, in the National Guard Armory at Silver Spring, Maryland. It was not definitely stated what organization is putting on this meeting but the Seaboard White Citizens Councils was mentioned in connection with it. [] has also stated that a meeting will be held in Easton, Maryland, on June 27, 1957, and that there may be men at this meeting in robes and hoods. It was not determined definitely whether these meetings are to be open to the public but it is believed that the meeting on June 27, 1957, will be open to the public and it is possible both these meetings will be open to the public.

The statement was made that Klansmen will be there from Pennsylvania, Virginia, New York, and other states at both these meetings. It was not stated that they will be wearing robes and hoods.

[] has also stated that a big public meeting is to be held in July in Delaware and that Klansmen from various Klan organizations are to be there in robes and hoods. The exact location of this meeting was not learned nor the name of the organization that will put it on.

The informant stated that [] has a large quantity of recordings of various talks and speeches which are generally against racial integration, "Jews" and Communists.

On June 4, 1957, a third source, who has furnished reliable information in the past, advised he heard from [] Ellendale, Delaware, there was a large meeting of the Ku Klux Klan scheduled for Columbia, S. C. on Saturday night, June 8, 1957.

This source advised, as far as he knew, [] was not an important figure in the Ku Klux Klan at Ellendale, Delaware.

On July 10, 1957, the second source referred to previously, advised he learned that [] was to attend a public meeting of the U. S. Klans, Knights of the KKK, to be held at Pomaria, South Carolina, on the evening of July 11, 1957.

On July 12, 1957, this second source advised he obtained no information concerning a meeting of the U. S. Klans, Knights of

~~CONFIDENTIAL~~

the KKK, at Pomaria, South Carolina, on July 11, 1957, and he did not know if [] went to South Carolina for such a meeting.

He further advised on July 12, 1957, that [] had stated if [] continued to do business with the United States Klans of [] then [] and his group would not want anything more to do with [].

On July 2, 1957, [] Police Department, Milford, Delaware; and on July 17, 1957, []

[] Delaware State Police, Bridgeville, Delaware; []

[] and [] Delaware State Police, Georgetown, Delaware, advised they know of no KKK activities or organization sponsored by the KKK in Delaware. They advised to their knowledge [] Ellendale, Delaware, is not connected with a segregation organization in Delaware.

On July 26, 1957, [] Delaware State Police, Bridgeville, Delaware, who resides near Milford, Delaware; []

[] Delaware State Police, Wilmington, Delaware, and [] Delaware State Police, Georgetown, Delaware, advised they had obtained no information indicating any type of KKK activities in Delaware during July, 1957, and they were quite positive no public meeting sponsored by the KKK was held in Delaware during July, 1957.

[] Connections With the National Association for the Advancement of White People (NAAWP)

On September 24, 1954, [] volunteered to SA [] Federal Bureau of Investigation, that the racial situation in the Ellendale, Milford section of Delaware, was rapidly reaching the crucial state and that a number of residents, including himself, had received threats from the National Association for the Advancement of Colored People in connection with the matter.

On September 24, 1954, [] was interviewed by SA [] Federal Bureau of Investigation, concerning his allegation of threats made against him and he was unable to furnish any basis

for his allegation. [] indicated he was interested in having the Federal Bureau of Investigation (FBI) conduct an investigation concerning the segregation problem in Milford, Delaware, and the National Association for the Advancement of White People.

[] indicated he attended a mass meeting at the Milford Delaware school on September 17, 1954, which was [] a representative of the National Association for the Advancement of White People, Incorporated, at which meeting [] made remarks favoring the protesting of the integration of Negro and white students at the Milford, Delaware, school.

The Wilmington Morning News, Wilmington, Delaware, on September 27, 1954, carried a news article reflecting that on September 26, 1954, the NAAWP held a mass rally at the Harrington, Delaware, Airport. This article reflects before obtaining the use of the Harrington Airport, sponsors of the meeting inquired about the possibility of using the Kent-Sussex Fair Grounds, Harrington, Delaware. According to the article an official of the fair said a man named [] from Lincoln (which is near Ellendale, Delaware) was one of the men inquiring about use of the fair grounds for the NAAWP meeting.

b6
b7C
b7D

On December 3, 1954, [] Delaware State Police Headquarters, Wilmington, Delaware, made available to SA [] FBI, a report concerning a meeting of the NAAWP, held at the Harrington Airport, Harrington, Delaware, on October 10, 1954. This report reflected [] was on the speakers platform during this meeting and assisted in recovering money contributed by participants, which had been stolen by an individual, who was under the influence of intoxicants.

During January and February, 1955, the first source referred to previously advised he had learned that the cost of publishing and distributing one issue of the publication, "Common Sense," that is the issue of November 1, 1954, had been paid to CONDE MC GINLEY, Editor of "Common Sense" by certain persons acting for the NAAWP. This source advised [] not further identified, accompanied other persons from Delaware to visit MC GINLEY on November 4, 1954, at which time they gave MC GINLEY \$2,000 which was to pay for the publishing and distributing of the November 1, 1954, issue of "Common Sense." He stated [] again visited MC GINLEY, accompanied by other individuals from Delaware, on December 10, 1954. (S)(u)

The Preliminary Report on Neo-Fascist and Hate Groups,
Committee on Un-American Activities, United States House

of Representatives, Washington, D. C., dated December 17, 1954, lists on Page 19 the following concerning the National Renaissance Party and the operators of "Common Sense":

"The National Renaissance Party and the operators of 'Common Sense' illustrate two types of subversion from the extreme right. The committee condemns any such resurgence of pro-Fascist and hate activity."

This source further advised that he had ascertained that [redacted] and one individual, who had contributed the money to CONDE MC GINLEY as described above in behalf of the NAAWP, had split with [redacted] of the NAAWP and were no longer assisting in the NAAWP, which was still [redacted] (S)(u)

On March 22, 1955, [redacted] advised SA [redacted] that about the middle of February, 1955, he observed an item in a Wilmington, Delaware, newspaper to the effect that a meeting concerning segregation was to be held at the Church of the Brethren, Denton, Maryland, on a Sunday evening. [redacted] said he, [redacted] of Ellendale, Delaware [redacted] and family, [redacted] and a group from Delaware, consisting altogether of about eighteen people, attended the meeting at Denton, Maryland. [redacted] said the [redacted] at the meeting spoke in favor of integration. [redacted] stated after the meeting he had a discussion with some unidentified man in the group, and explained with Bible verses how segregation is taught in the Bible. [redacted] said [redacted] questioned this same unidentified man as to the man's opinion of the United States, his opinion as to whether the Government is always right and his opinion as to one world Government.

[redacted] also advised that [redacted] is a "questionable" person because he had made tape recordings of all the meetings of the NAAWP, and even though [redacted] appeared to be cooperating with [redacted] he seemed to attempt to cause dissension in the NAAWP. [redacted] stated [redacted] was also suspicious because he had a short wave radio set in his house. He stated [redacted] would not join the NAAWP, but [redacted] always claimed he "is at the bottom of the barrel pushing."

[redacted] advised [redacted] had caused [redacted] NAAWP work, to leave the organization, that [redacted] was instrumental

in getting [redacted] an officer of the NAAWP, out of the NAAWP and that [redacted] appeared to be attempting to get [redacted] another officer of the NAAWP, out of the organization. [redacted] said he did not know how or why [redacted] seemed to create mistrust in the NAAWP inasmuch as [redacted] appeared to be close to [redacted] [redacted] stated [redacted] seemed to get inside information concerning the activities of the NAAWP because on one occasion in the recent past [redacted] knew what went on at a closed meeting of NAAWP shortly after the meeting, even though [redacted] was not present at the meeting.

An undated letter from [redacted] addressed to the Federal Bureau of Investigation, Washington, D. C., and postmarked April 14, 1955, at Milford, Delaware, stated [redacted] of Ellendale, Delaware, was one of five people who met [redacted] at Fred-erica, Delaware, on September 24, 1954. She stated [redacted] was carrying a loaded pistol in his pocket. This letter stated [redacted] tried very hard to discourage [redacted] from coming to Delaware.

This letter also stated [redacted] has one room in his home with tape recorders and some types of radios.

[redacted] complained in her letter that each time [redacted] called from Washington with orders for a meeting, or otherwise, [redacted] would call [redacted] about fifteen minutes later, and try to have those orders cancelled. She also stated that [redacted] told her if she would sign a check on the NAAWP funds for an announcement over station WKSB in Milford, he would see that the mail which she did not think was coming through, would be taken care of at once.

On May 6, 1955, [redacted] Selbyville, Delaware, who identified himself as a [redacted] Delaware Chapter of the NAAWP during the Fall of 1954, volunteered to SAs [redacted] and [redacted] he had obtained information from [redacted] Milford, Delaware, to the effect that [redacted] had represented himself as an Agent of the Federal Government.

On May 13, 1955, [redacted] Milford, Delaware, advised he had no knowledge concerning possible impersonation of a Federal Agent by [redacted] and stated he considered [redacted] to be a very nice person. [redacted] said the allegation against [redacted] was probably the result of rumors used in an attempt to injure [redacted] business because of his participation in anti-integration

activities. [] stated he was never an officer of the NAAWP, but he did open one meeting of the NAAWP at Milton, Delaware, at the request of []

The Journal Every Evening newspaper, Wilmington, Delaware, carried an article on July 29, 1955, entitled [] ALLY TALKS IN MARYLAND," and datelined at Hurlock, Maryland, July 29, 1957, which stated an Ellendale, Delaware, man stole the spotlight at a Maryland anti-integration meeting on July 28, 1955. This article identified this man as [] and stated he was described as the most outspoken foe of integration at the meeting of the Dorchester County residents opposed to letting Negroes attend white schools. The article reported that [] told the 100 persons at the session that he hoped Delaware school boards would ignore the order of the State Board of Education to submit integration plans by August 15. It said [] identified himself as a member of the National Association for the Advancement of White People, the group [] according to this article.

This article quoted [] as saying: "We had them (Negroes) in our schools, and the courts got them out. Our local school boards have been handed down an ultimatum that they must have their reports in by August 15 for speedy integration. I hope enough of our local school boards will ignore the mandate of the state school board to keep our schools as they are."

The records of the Superior Court of Kent County, Dover, Delaware, reviewed on September 1, 1955, reflected that [] was one of the defense witnesses appearing in the Superior Court on July 25, 1955, in connection with trial of [] by the State of Delaware on two charges of violation of the school laws of the State of Delaware.

On September 14, 1955, the first source referred to previously, advised he had obtained information to the effect that [] Ellendale, Delaware, called the public meeting of the NAAWP, which was held at the Harrington Airport, Harrington, Delaware, on August 21, 1955, and which was attended by approximately 3000 people. This source said he also obtained information to the effect that [] NAAWP, and CONDE MC GINLEY, the editor of the newspaper Common Sense published in the State of New Jersey, were prominent on the platform at this meeting. He stated information available to him indicated the meeting was ostensibly called to oppose desegregation, but the emphasis was placed on anti-Semitism at the meeting and that thousands of copies of the publication Common Sense were distributed gratis at the meeting.

This source further advised he had also learned that [redacted] had recently shipped a large number of copies of the publication Common Sense and copies of other literature, anti-Semitic or anti-Negro in nature, to one [redacted] of Manning, South Carolina, who had allegedly requested the literature for distribution to some white supremacy group allegedly [redacted] in South Carolina. Other Activities of [redacted] in Connection with Racial Segregation

The Morning Sun newspaper, Baltimore, Maryland, carried an article on July 29, 1955, entitled "INTEGRATION HIT BY DELAWARE MAN." This article set forth information concerning a meeting of group of Dorchester county citizens held at Hurlock, Maryland, on July 28, 1955. This article described [redacted] of Ellendale, Delaware, as the only person present who was outspoken against integration. The article quoted [redacted] as saying "You have as much right to separate schools as any place in the deep South. Keep on with your group. You are going about it the right way. No politician can ever deny the people's wishes when they are in a large group. We had them (Negroes) in our (Delaware) schools, and the courts got them out. Our local school boards have been handed down an ultimatum that they must have their reports in by August 15 for speedy integration. I hope enough of our local school boards will ignore the mandates of the State School Board to keep our schools as they are. We feel that we cannot allow anyone to tell us that we have been wrong all these years and are not good Christians and good Americans. Keep going and keep trying."

The Sussex Countian weekly newspaper, Georgetown, Delaware, carried an article on December 15, 1955, concerning an organization meeting of the Sussex County Mental Health Association held December 8, 1955. The article indicated this meeting was held to organize a Sussex County association of the Mental Health Association, which was described as an association having nearly all 48 states represented, consisting of volunteers from the general public and entirely apart from any Governmental body or hospital management, and having for its purpose volunteer services to patients of state institutions. This article stated that at the point when the meeting was opened for discussion [redacted] Ellendale, Delaware, rose and spoke against the national set-up of the organization, stating that it had become Communist-infiltrated. The article stated [redacted] had literature attacking the national association.

This article stated it was decided at this meeting that the meeting had been called for those interested in forming the county

association, and that those who were not interested had no business there, and should leave. The article said thereafter [redacted] left the meeting, and upon being asked by a reporter if he represented any organization [redacted] replied: "We the People."

The article stated that as soon as the story appeared in the Wilmington Morning News the reporter had a tip that officials of "We the People," not further identified, were preparing a statement saying that [redacted] did not represent "We the People." The article said [redacted] later stated that he appeared at the meeting only as a private citizen and member of "We the People" and had not officially represented them.

The Wilmington Morning News newspaper, Wilmington, Delaware, carried an article on June 29, 1956, concerning a mass meeting of more than 1,000 citizens held at Milton, Delaware, on June 28, 1956, in connection with the segregation issue in that school. This article stated [redacted] of Ellendale, Delaware, spoke to the group and advised Milton citizens not to ask their school board to resign as a body since this would "leave the Milton School District at the mercy of the State School Board." The article stated [redacted] suggested the formation of a States' Rights Council to support Senator WALTER J. HOEY, as a candidate for Governor. The article said [redacted] stated during his speech that all integrationists are "left-wingers" as far as he is concerned.

On July 20, 1956 [redacted] Delaware State Police, Georgetown, Delaware, advised SA [redacted] [redacted] is well known in that area, and is considered by everyone to be nothing more than a rabble rouser with regard to integration of schools in Southern Delaware.

On September 6, 1956 [redacted] Police Department, Milford, Delaware: [redacted] Delaware State Police, Bridgeville, Delaware, and [redacted] Police Department, Houston, Delaware, all advised SA [redacted] that they know [redacted] as being an extremely strong segregationist in the area but they have never heard that [redacted] is a member of any segregation organization.

On September 6, 1956, [redacted] Delaware State Police, Georgetown, Delaware, advised SA [redacted] that [redacted] is known in the community

as being a rabble rouser with regard to the integration issue in the schools and that although he has never openly joined any segregation organization to their knowledge, he is considered to be a trouble maker with regard to this issue whenever an opportunity presents itself. These officers stated it is their opinion that the leaders of the segregation organizations do not desire to have [redacted] affiliated with them because he is considered a trouble maker.

On August 16, 1957, [redacted]

[redacted] volunteered the following information:

[redacted] met [redacted] Ellendale, Delaware, in late 1953, and became acquainted with [redacted] both as a [redacted] in Ellendale and as a [redacted]

b6
b7C

[redacted] considered [redacted] to be vague about his activities in connection with segregation matters. [redacted] formed the opinion from his conversations with [redacted] that [redacted] was opposed to Jews, Negroes, and Communists. [redacted] also obtained the impression from [redacted] that [redacted] believes the Communists are behind the integration movement in the United States. [redacted] believed [redacted] took part in segregation matters because he, [redacted] wanted to be a "big shot" and impress people.

[redacted] could cite no specific activities of [redacted] in connection with segregation matters. He was of the opinion that [redacted] probably made regularly weekly trips to New Jersey to pick up the Common Sense newspaper for distribution in Delaware, because he had observed [redacted] went to New Jersey frequently for no other apparent reason.

[redacted] gained the impression from talking to [redacted] that [redacted] was interested in getting recordings on tape from foreigners, who would give unfavorable information on Jews, Negroes, and Communists.

[redacted] had an occasion to go in [redacted] home on one occasion and observed that [redacted] had two short wave radios, two tape recorders, and about 150 to 200 reels of recorded tapes, the contents of which he did not learn.

The Baltimore Sun newspaper, Baltimore, Maryland, carried an article on September 26, 1956, concerning a meeting of two hundred members of the Talbot White Citizens Committee, an anti-integration group, held at Easton, Maryland, on September 25, 1956. This article stated [redacted] a Milford, Delaware, man stated, "I'm not telling you to keep your children out of school, but we did and it got results." The article said [redacted] was referring to what happened in Milford and other Delaware towns two years previously when integration was first attempted.

On June 14, 1957, the second source referred to previously advised [redacted] was acquainted with [redacted] and [redacted] who were described as active members of the Seaboard White Citizens Councils of Washington, D. C., and had been in contact with them.

On June 14, 1957, this second source advised [redacted] was in possession of a high-powered rifle with telescope sight in June, 1957.

On July 2, 1957, [redacted] Milford, Delaware, said to his knowledge [redacted] continues to be an outspoken individual in connection with racial segregation, but he knows of no organization with which [redacted] is connected and he knows of no recent activities in Delaware by [redacted]

On July 17, 1957, [redacted] and [redacted] Delaware State Police, Bridgeville, Delaware and [redacted] and [redacted] Delaware State Police, Georgetown, Delaware, advised [redacted] continues to be known in the general area as a strong segregationist, but they know of no activity on the part of [redacted] within the recent past.

On July 26, 1957, [redacted] Delaware State Police, Bridgeville, Delaware, who resides at Milford, Delaware, advised [redacted] is known as a strong segregationist in the area, but he has obtained no information indicating [redacted] is connected with any organization. [redacted] stated he has not heard of any activities of [redacted] in connection with segregation matters in the recent past.

On July 26, 1957, [redacted]

[redacted] Delaware State Police, Wilmington, Delaware, and
[redacted] Delaware State Police,

Georgetown, Delaware, advised that [redacted] is an outspoken individual in connection with racial segregation matters in Southern Delaware, but they have obtained no information indicating he is connected with any organization, or that he has been actively engaged in any public or private meetings of any kind in connection with segregation matters in the recent past.

Organization of the Delaware Citizens Council by [redacted]

The Salisbury Times, Salisbury, Maryland, dated July 27, 1957, contained an article stating in effect that the Delaware Citizens Council, reported to be a new organization, has held several meetings and is picking up strength through the efforts of [redacted] Ellendale, Delaware, who, according to this article, [redacted] the National Association for the Advancement of White People.

According to this article, after a trip to the South, [redacted] reportedly began the organization of a Delaware Citizens Council in Sussex County, Delaware, and has already held meetings in his home.

This article is quoted as follows:

" [redacted] said recently: 'We believe the American people have the right to choose their associates and most of all have the right to select an environment for their children.

'Our primary purpose is to insure this by organizing so that we can back up our local boards of education. We are an organization to calm, rather than arouse, the people.

'No outside troublemakers will be brought into Delaware, although there will be officials from Southern states asked to speak on constitutional topics.'"

This article further stated in effect that meetings have been held recently by the Citizens Council in Milton, Milford and Millsboro, all Delaware, and that [redacted] group met some resistance in Milton, Delaware. It was reported that some

of the residents there resented his "butting in" at a mass meeting held there last summer concerning integration.

Dear Sir:

I am enclosing an envelope from the Christian Educational Association and the contents of this envelope, a so-called anti-communist newspaper titled "Common Sense." I am referring this for whatever interest the bureau may have although I feel certain in my own mind that you are well aware of this publication.

I do not want this type of material in my home since I consider it communistic. It is a smear type of magazine and appears to be attacking religions, charities, etc.

I have every faith in our system of government and am a loyal American. I do not feel that this type of literature is truly anti-communistic but rather the contrary.

Respectfully submitted,

PERS. FILES

NY 97-1409

indicated that CONDE MC GINLEY, Box 807, Union, New Jersey, was consigned certain propaganda materials. This material included a statement by [redacted] concerning the invasion of Egypt. T-1 stated on August 2, 1957, that the subject had received between five hundred and one thousand copies of a sheet entitled, "Anglo-French Police Action? in Port-Said", which contained statements by [redacted] concerning the invasion of Egypt.

b6
b7C
b7D

✓ T-1 indicated MC GINLEY received these sheets from one Albena, Tourist agent in Jordan. He said that MC GINLEY has received similar pro-Arab propaganda from this source from time to time, but to his knowledge MC GINLEY has no arrangement with this individual and usually distributes this literature gratuitously along with other material which MC GINLEY publishes. T-1 added that MC GINLEY had stamped these sheets with his own name "Christian Educational Association, Union, New Jersey", which is the organizational name under which MC GINLEY operates.

T-1 indicated that he has no information which would indicate that MC GINLEY is acting at the order, request or under the direction of a foreign principal in this matter.

T-1 further indicated on September 13, 1957, that MC GINLEY has been including the above described sheet in his regular mailing to persons throughout the United States, but that no special use has been made of this article.

The files of Central Records, Immigration and Naturalization Service, Washington, D.C., reviewed on May 27, 1957, by SE [redacted] revealed that [redacted] was born in [redacted] and arrived in the United States at New York City on February 13, 1957, travelling on Swedish Passport UK 3050, issued at Cairo, Egypt. His occupation was listed as "Photographer - Reporter".

NY 97-1409

T-1 indicated on April 25, 1957, that the Acting Executive Director of the American Friends of the Middle East (AFME), had submitted a memorandum dated March 12, 1955, to the Board of Directors of AFME regarding the publication of a book of photographs produced by [redacted] which dealt with Arab refugees in the Gaza Strip.

This memorandum reflects that the Middle East Director of AFME had requested the New York Office of AFME to welcome [redacted] and to arrange a press conference, reception, possible speaking tour and exhibits of his pictures, under AFME sponsorship. This entire situation was discussed with [redacted] following his arrival and it was agreed that AFME sponsorship of [redacted] visit to the United States would be of dubious value to both [redacted] and AFME. The memo also states that out of a sense of obligation to the Middle East Director, hospitality was extended to [redacted] and AFME assisted him unofficially in making contacts with certain Arab officials and various interested American citizens. The Acting Executive Director accompanied [redacted] to Chicago for a conference with [redacted] for the purpose of exploring the possibility of publishing [redacted] photographs regarding the human side of the Arab refugee situation. This memorandum states that [redacted] agreed to publish the book, but indicated that an advance guarantee of \$10,000.00 would be needed. During the conference with [redacted] the Acting Executive Director made a tentative commitment of \$1,000.00 from AFME.

This memorandum recommended that the Board of Directors of AFME authorize the Acting Executive Director to pay \$1,000 to the Henry Regnery Publishing Company to assist in the publication of [redacted] picture book, upon written assurance that the book would be published, and that AFME would receive copies of the book in return for this amount of money.

NY 97-1409

It is noted that a leaflet entitled, "AFME, What Is It ... What It Does ... How It Works ..." which was circulated during the early part of 1956 by the American Friends of the Middle East, Incorporated, 47 East 67th Street, New York City, reflects that the American Friends of the Middle East, Incorporated, which was founded on May 15, 1951, is a private, non-profit, non-political, intercultural organization with human relations as its sphere of interest. Through an interchange of ideas, it seeks to build and maintain bridges of friendship between the people of America and the people of the Middle East. According to this leaflet, the purpose of this organization is to enable Americans, through lectures, publications and other means, to come to a better understanding of the many contributions Middle Eastern people have made to culture and civilization. Its purpose is also to bring to the attention of the people of the Middle East, those values in our civilization which might be of great value to them in adjusting their way of life to the rapidly changing conditions of our age.

b6
b7C
b7D

T-1 on April 25, 1957, furnished a copy of the November, 1956 News Letter of the Palestine Arab Refugee Office, 801 Second Avenue, New York City, which contained an article by [redacted] concerning the British-French invasion of Port Said.

It is noted that in June, 1955, the Palestine Arab Refugee Office, 801 Second Avenue, New York City, registered with the Foreign Agents Registration Section, United States Department of Justice, as an agent of the Arab Palestine Office for Refugees, Beirut, Lebanon.

T-1 on March 19, 1957, made available a booklet entitled, "Anglo-French-Israeli Aggression Against Egypt", which was distributed by the Egyptian Embassy, Washington, D.C., and page one of this booklet is captioned "An Eye-Witness Account of British-French Invasion of Port Said by the Swedish Newspaper [redacted]"

NY 97-1409

T-1 on March 19, 1957, furnished a copy of the November, 1956, edition of "The Scribe", which is a monthly magazine published by the Centre For Middle East Research, Cairo, Egypt. This edition consisted of reproductions of photographs and an explanatory introduction by [redacted]. The foreward of this magazine is quoted as follows:

" 'The Scribe' publishes with regret the text sent to the Press Agencies of the world by the Swedish Journalist-Photographer [redacted] who went to Port-Said two hours after the city was 'policed' by the Anglo-French forces which came to Egypt to restore peace after Egypt was invaded by Israel.

" 'The Scribe' apologizes for publishing these gruesome photos which hardly need any explanation, apart perhaps from stating that they were taken in Port-Said on Tuesday November 6th 1956."

[redacted] Regnery Publishing Company, 64 East Jackson Boulevard, Chicago, Illinois, advised SA [redacted] on May 8, 1957, as follows:

b6
b7C
b7D

Subsequent to the British-French invasion of Egypt in late 1956, [redacted] well known authoress, Washington, D.C., who had met [redacted] in Middle East, suggested to latter that he contact the Regnery firm relative to the publishing of his book concerning the Middle East situation.

Several weeks ago, [redacted]

[redacted] approached [redacted] concerning his book. The book actually will contain very little text and consists principally of a series of excellent photographs taken by [redacted] a top flight photographer, of scenes in the Gaza Strip and elsewhere in Egypt. The book is entitled "They Are Human Too" and is described as a photographic essay on the

NY 97-1409

Palestinian refugees. [] added that [] felt very strongly about the plight of these refugees. The book was accepted by [] for publishing and is presently in the hands of the printers, Photopress, Incorporated, Gardner and Congress Streets, Chicago, and should be in retailers' hands in July, 1957. As this type of book is expensive to publish [] secured from [] a personal check in the amount of approximately \$5,700.00 as a guarantee to purchase a quantity of the books when published. [] cannot recall bank which check was drawn on, nor the city.

[] further indicated to [] at time of contract negotiations that government of Saudi Arabia had an interest in the book and accordingly [] subsequently directed a letter to the Saudi Arabian Ambassador, Washington, D.C., who replied in effect that the Saudi Arabian Government would purchase a quantity of the books.

b6
b7C

[] stated that [] never gave any indication he was officially connected with any government regarding the publication of this book, but is of opinion that sum of approximately \$5,700.00 was probably made available to [] by interested Arabian Government(s) as [] is known to [] to be in need of funds.

On May 15, 1957, [] appeared at the Washington, D.C. headquarters of the Federal Bureau of Investigation and was interviewed by SA [] at which time [] stated that he had come to the United States [] during 1956 and was then residing at [] He commented that he might remain in the United States permanently as many of his friends had urged him to do so.

[] further advised that a book of photographs on the Egyptian situation which he had taken was in the process of being published by the Henry Regnery Company, 64 East Jackson Street, Chicago, Illinois. The

NY 97-1409

title of this book will be "They Are Human Too".

[] explained that he had taken a series of photographs in Egypt which accurately portrayed the extent of what he called British "atrocities". He commented that he had personally counted 800 bodies of victims of the bombing while the British claimed that only 100 persons had been killed. According to [] the International News Service (INS) had prevented his pictures from being published in the United States because of pressure from Zionist groups as well as French and English groups. According to [] INS had paid him \$75.00 a day to make the pictures for a period of 12 days immediately following the bombing and had further agreed to pay him 20 per cent on the sale of pictures but there had been no sales because of the pressure exerted on INS by the Zionist, French and English groups referred to above.

[] stated that he had been able to have his photographs published in Europe and this infuriated the British. He furnished one copy each of the November, 1956, and the January, 1957, issue of a magazine entitled "The Scribe" which contained pictures of the damage allegedly done by British bombing at Port Said, Egypt. According to [] as a result of the publication of his photographs in the November, 1956, issue of "The Scribe" a scurrilous article about him was published in the London "Daily Mail" on December 11, 1956. [] furnished a copy of this article [] commented that he was in the process of suing [] and the London "Daily Mail" for libel and slander as this article erroneously accused him of being an ex-Nazi propaganda agent.

T-2 was interviewed on June 10, 1957, at Washington, D.C., by SA [] at which time he advised that [] came to the United States in approximately February, 1957, and had a Swiss Passport. [] called himself a Swiss Photographer-Journalist. T-2 stated that International News photographers handled the pictures [] took. T-2 stated that []

T-2 said the Press Office at the Egyptian Embassy had received money from Cairo, Egypt, and had paid [redacted] approximately \$8,000. T-2 said the published of this book was the Henry Regnery Company, Chicago, Illinois. Your letter of September 19, 1957, with enclosures, has been received, and I appreciate the thoughtfulness which prompted your bringing this matter to my attention. I thought you would like to know, however, that the use of the United States mails to transmit such material is not a violation of the Federal law within the investigative jurisdiction of the FBI.

Since this matter may be of interest to the Post Office Department, I have taken the liberty of forwarding a copy of your communication and its original enclosures to the Chief Inspector, Post Office Department, Pennsylvania Avenue between Twelfth and Thirteenth Streets, Northwest, Washington, D. NOTE: Both of the enclosures apparently originate with Conde McGinley, who has been described as the head of a hate group in Union, New Jersey, by the House Committee on Un-American Activities in 1954. The Bureau has not conducted an investigation regarding McGinley, but forwarded a summary of his known activities at the request of the Department of Justice in 1951.

The Hon. J. Edgar Hoover
Federal Bureau of Investigation

Washington, D.C.

Dear Mr. Hoover,

The writer occasionally writes a letter expressing a conservative viewpoint to the editor of the Houston Chronicle. This has placed me on the mailing lists of people who distribute hate propaganda reminiscent of the Silver Shirt stuff. It is so transparently vicious and stupid that I find it alarming as well as nauseating. I fear that it is designed to serve a double purpose and that it is designed to discredit those of us who would preserve the America we grew up in and its Constitution.

(Captioned) The Truth About Soviet Involvement in
the Korean War: (marked "TOP SECRET")

"In the interest of throwing further light on the
facts of Soviet participation in the Korean war, and
on the Chinese record in Korea, the Department of
Defense has released two special studies on these
subjects . . . these studies establish beyond any
reasonable doubt the true nature of Communist
aggression against the Republic of Korea, the Soviet
and Chinese Communist support of, and participa-
tion in that aggression, and the BLUNT TRUTH about
the internal and external manifestations of Commu-
nist control in North Korea . . . Many Russian
'advisors' were attached to the North Korean Army
advance headquarters established in June, 1950.
They wore civilian clothing, and it was forbidden
to address them by rank. They were introduced as
'newspaper reporters', but they had supreme au-
thority. They took the lead in commanding and
manipulating troops. They treated the North Korean
officers, who were nominally their chiefs, like their
servants, or children. A North Korean Major identi-
fied two of these Russian 'advisors' as GENERAL
A. Ph. VASILIEV and Colonel Dolgin. VASILIEV, he
said, was in charge of all movements across the
38th parallel."

MacArthur's Top Aide Confirms - as follows:

"Someone told them (the Red Chinese) that even
if the Red Chinese swarmed across the Yalu into No.
Korea in overwhelming hordes, even if they
slaughtered UN soldiers by the thousands on the
battlefields and in the prisoner of war camps the
U.S. Government would not retaliate. And the Reds'
staging and supply area in Manchuria would remain
a sanctuary! . . . The U.S., BY ORDER OF THE UN,
did not retaliate — Manchuria remained a Red's
sanctuary throughout the war — and 145,000 Ameri-
can boys were maimed and MURDERED in Korea!!!

Do We Need Any More Proof?

By their silence the UN admits GUILT! It is now
up to Congress to act! But Congress won't act unless
the people FORCE them to act. Senator Jenner said:
"Our problem is to get the story to the people" . . .
the people, only the people can FORCE Congress to
act.

YOU can solve that problem - with this Tract!

You owe it to America — and to your own chil-
dren — to SPREAD this Tract far and wide. Buy what
you can afford and give them to Veterans Organi-
zations — Civic Organizations — Clubs. Give them
out where you work — give them to your Pastor
for distribution — enclose a copy in every letter you
write.

It is up to YOU and every loyal American to DE-
MAND that Congress put the UN on open trial be-
fore both Houses!

Send signed copies of this Tract to your Congress-
man and Senators — tell them if they won't do it,
you will VOTE for other men who will! TELL THEM
YOU MEAN IT!!!

Why we MUST get the U.S. out of the UN — and the UN out of the U. S.

U.S. Government (TOP SECRET) Bulletins
provide

DOCUMENTARY PROOF
that
**UN is PLANNED
DEATH - TRAP FOR U. S.**

RITA ("Thieves' Paradise") . . . "All the American
Boys who were killed in Korea were really murder-
ed by the UN."

On Sunday evening, May 20, 1956, Myron C.
Fagan's play "Thieves' Paradise" opened at the
Shubert Theatre in Washington, D.C.

The play was written for just one purpose — to
warn the American people that the YALTA plotters
created the UN to destroy the U.S. and transform
our country into an enslaved unit of a Communist
One World Government . . . it was produced in
Washington so as to put the UN on open trial before
all the Members of Both Houses of Congress — from
now on there can be no "I didn't know" alibi!

"Thieves' Paradise" revealed all the different
phases of the diabolical plot — how the UN was a
"Trojan Horse" sneaked into the U.S. to serve as a
Sanctuary for Red Spies, Saboteurs and American
traitors . . . how it was to destroy our Freedoms
through "Treaties," such as "GENOCIDE" . . . to
brainwash our Youth through UNESCO . . . to drain
us of our wealth through UNRRA, "Marshall Plan"

and Foreign Aid give-aways . . . and to finally transform the U.S. into an enslaved unit of their Communist One-World Government. But the vilest, foulest, most revolting of all the phases was the secret agreement between Alger Hiss and Molotov, under which the post of Chief of the UN Military Staff Committee was PERMANENTLY to be held by a Moscow Communist.

That post was to be the most important one in the UN. There would be no major (Third World) war, if the plotters could prevent it. They planned to conquer the great countries by stealth, through intrigue and internal treason — the small countries by force. But there were men like Syngman Rhee and Chiang Kai Check who would fight. There would be "little wars" in Korea, in Indo-China, all over Asia. All such "little wars" would be called UN "Police Actions", and would come under the jurisdiction of the UN Military Staff Committee. Therefore it was vital that the Chief of that Military Staff Committee be a GREAT CONSPIRACY man . . . so Alger Hiss and Molotov entered into that secret agreement — with Trygve Lie in on the secret!

The following dialogue in "Thieves' Paradise" reveals that diabolical "secret agreement" — and what it did to our sons!

"STEFAN:— When they were setting up the UN, Molotov and Alger Hiss made a secret agreement that the Military Chief of the UN was always to be a Russian, appointed by Moscow. The first such Chief was Arkady Sobelov.

"RITA:— I know . . .

"STEFAN:— But do you know why Moscow wanted that arrangement? (RITA shakes her head — STEFAN explains gloatingly) "To be prepared, if the UN would have to interfere in any Communist attempts to grab free states THEIR man would have charge of that interference and . . .

"RITA:— (Breaks in — suddenly understands) and THEIR man would be able to keep the Red commanders fully informed of all the plans and movements of the UN forces!?"

"STEFAN:— Exactly! That's what happened in

Korea. General MacArthur was Commander-in-Chief of the UN forces but he had to submit all his battle plans, all movements of troops, guns, ammunition, to the Chiefs of Staff in Washington. They, in turn, had to submit it to Sobelov for his approval . . .

"RITA:— (Startled - gasps) And, of course, Sobelov promptly relayed it to Moscow!

"STEFAN:— (Gloatingly — nods) And Moscow promptly relayed it to the Red Commanders in No. Korea! (RITA gasps) But that isn't all there is to it! In February 1947 Sobelov BORROWED Lt. Gen. P. A. Vasiliev from the Soviet Army — made him Chairman of the UN Military Staff and gave him SOLE charge of all UN military affairs. Vasiliev's principal job was to survey the trouble areas in Asia where free states might be in danger of invasion by Communists—and to set up the defenses.

"RITA: (Gasps) Oh, NO!

"STEFAN: (Amused) Oh, yes! His first job was in Korea — he set up all the defenses on the 38th parallel to protect the South Koreans against invasion by the North Koreans.

"RITA: Good Lord, how stupid can those Americans be!"

"STEFAN: But wait! In April 1950 General Vasiliev applied for and got a leave of absence from the United Nations — and in June, when the No. Koreans came slashing through the Vasiliev defenses on the 38th parallel, their real Commander-in-Chief was General Vasiliev — STILL ON LEAVE OF ABSENCE FROM THE UNITED NATIONS!

"RITA (Grimly) So—all those American boys who were killed in Korea were really murdered by the United Nations!"

More than 200 Senators and Representatives saw "Thieves' Paradise". All were horrified by what they heard. SCORES said . . . "If the UN does not file a criminal libel suit and DISPROVE the horrifying charges in this play they are guilty of the most heinous crime ever committed against the American people!"

The UN did not file a libel suit . . . they dare . . . because their own records show that the first Chief of the UN Military Staff Committee was Arkady Sobelov, a top Moscow functionary — and that he held that post continuously from 1945 to 1951 . . . that he was succeeded by Konstantin Zynchenko, World War II Censor of the Red Army . . . that (in July 1953) Zynchenko was succeeded by Ilya Chernyshev, another Moscow top functionary. The same UN records show that in 1947 Sobelov BORROWED Vasiliev from the Red Army and gave him sole command of all UN military affairs! ! !

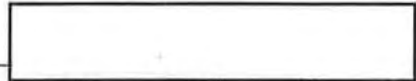

Confirmed by U.S. State Dept.

U.S. State Department Bulletin, No. 422 A, dated August 3, 1947, (captioned) "Special resolution under article 43 of the United Nations Charter" (marked "TOP SECRET"), reads as follows:

"On April 30, 1947, Lt. Gen. A. Ph. Vasiliev, of the Red Army, Chairman of the Military Staff Committee of the United Nations, forwarded to Trygve Lie, Secretary General, a report containing recommendations of the general principles governing the organization of the armed forces to be made available to the Security Council by Member Nations of the United Nations . . . These Armed Forces . . . be made available from the best trained and equipped units of Member Nations of the United Nations . . . and (under UN Regulations) "Armed Forces thus to be provided shall be organized as directed by the Chairman of the Military Staff Committee of the United Nations" . . . AND RED ARMY GEN. VASILIEV WAS THE CHAIRMAN ! ! !

DETAILS:

On October 16, 1957 T-1 furnished the following information:

MC GINLEY has published a booklet on the budget of Jewish Organizations in the United States. This booklet shows the amount of money spent by the organizations on Jewish groups and the amount spent on non-Jewish groups. The latter expenditure is supposedly for the purpose of exerting influence in those groups on certain matters in which the Jewish Organizations are interested.

An unnamed Lithuanian sailor, a contact of MC GINLEY, has taken, or will take, a copy of the booklet to a friend of MC GINLEY, one [redacted] (PH), described as a [redacted] Dr. JOSEPH GOEBELS, former Nazi German leader. [redacted] is presently [redacted] President GAMAL NASSER of Egypt. MC GINLEY has been friendly with [redacted] for some time and corresponded with him when [redacted] was a refugee in Argentina.

MC GINLEY has an Austrian contact, [redacted] a Hungarian who presently resides [redacted]

MC GINLEY said he first met him when [redacted] arrived at Camp Kilmer, New Jersey Reception Center for Hungarian refugees in the Spring of 1957. MC GINLEY was acting as a press representative, and a short time later [redacted] was deported and MC GINLEY feels the "Jews" had something to do with the deportation. MC GINLEY presently corresponds with [redacted]

[redacted] has written MC GINLEY for money but MC GINLEY has only sent him a few dollars.

T-1 believes that MC GINLEY receives literature such as "The Scribe", and "Anglo French Police Action (?) in Port Said", an anti British booklet and leaflet respectively, of photographs supposedly showing the crimes and atrocities committed by the British soldiers in Port Said, from his contacts and friends who reside in foreign countries on an exchange basis. T-1 is of the opinion that MC GINLEY does not act for or represent in any way a foreign government.

The [] refuse to tell informant the name of the organization until he has actually become a member.

According to the informant, the organization is not communist but is a "powerful nation-wide" organization, the purpose of which is to return the Government to the people. Informant advised that if he joined, the [] advised him that he would have to perform all duties required of him by the organization or "suffer the consequences" meted out by the organization.

Informant was advised that all members have been instructed to buy guns and ammunition.

According to the informant, some of the local members worked for the Southern Pacific Railroad Company, and on a national basis, the membership included ex-Generals, wealthy men and CHARLES A. LINDBERGH.

Informant advised that [] had in the latter part of July, 1957, attended a national meeting of the organization in Boston, Massachusetts, which he believes is the headquarters of the organization. Informant advised that he had furnished all the information he had including some literature given him by the [] to [] [] Texas Department of Public Safety.

[] advised on August 9, 1957, that he had been in contact with T-1 and in addition to the above information, T-1 had advised him the organization was to kill six Texas State officials at a time unknown. He stated he had furnished this information to his headquarters in Austin.

On October 22, 1957, T-1 advised that he was still being contacted by the [] and that on occasions when they were alone, the [] would discuss the unknown organizations. T-1 advised that about the First of October, 1957,

[] told him that he, T-1, would be contacted by a "big shot", one who recruits in the underground for the organization. T-1 stated that he has not been so contacted as yet. Informant advised that he has recently seen several suspicious men in his place of business, who appeared to refuse to talk due to the presence of other individuals.

Informant advised that in his opinion the organization is not the Ku Klux Klan since [] has advised him that he could get him into the Ku Klux Klan as well as the unknown organization.

The Ku Klux Klan is an organization which has been cited by the Attorney General pursuant to Executive Order 10450.

Informant advised that all the papers he has received from the [] have had the names cut out of them. He states he has given them all to [] Texas Department of Public Safety. He also advised he is now getting, through the mail, the paper "Common Sense" and has also received copies of a paper called the "Patriot". T-1 advised that these papers were sent to him by the unknown organization.

b6
b7C
b7D

T-1 further advised that [] made frequent trips to New York City and other cities in the East to attend meetings of the organization. He advised that according to the [] there have never been any meetings held in Houston, Texas.

T-1 stated that all his information came from the [] and he knows of no other members of the organization. He advised that he has seen the [] talking to [] 8905 West Street, but does not know what about. He stated that [] formerly worked for the Southern Pacific Railroad Company. Informant further advised that he believes one member is a very wealthy woman in Chicago, Illinois, and another was a wealthy "foundry man" in Marshall, Texas, who has recently had labor trouble in his foundry.

HO 105-332

T-1 furnished a typewritten sheet he received from [redacted] regarding the organization. This sheet is as follows:

"You must find potential patriots from among men you know well. Submit their names, addresses, ages, occupations, and approximate educational levels to your contact. They will have either received or will be sent our anonymous program of enlightenment. After this has had its effect, approach them personally and feel out their sentiments. When a potential gives unmistakable assurances that he fully understands our enemy, without any coaching on your part, then ask him what he thinks must be done about the danger. ONLY AFTER HE VOLUNTEERS that he feels REALISTIC ACTION against the enemy is necessary, should you ask him to join your squad. NEVER DISCLOSE YOUR CONNECTION with our organization TO ANYONE until you are ABSOLUTELY SURE that he is one of us.

"In order to protect our own positions, to reach vast numbers of SELECTED PEOPLE, and to present the TRUTH in the most effective manner possible, we do ALL ENLIGHTENMENT by means of secret pamphlets, which in turn recommend additional non-secret literature for those who become aroused, plus the semi-monthly paper Common Sense. WE NEVER PERSONALLY ARGUE THE TRUTH WITH ANYONE. Our carefully planned course of short pamphlets, silently arriving once a week, work slowly, relentlessly to shake the confidence of our people in the MAKE-BELIEVE WORLD with which our competitors have surrounded them. We present the TRUTH from many different directions in a manner which is authoritative and incontrovertible. We put the competition on the defensive from the outset, and we shall keep them there until they are no more.

"If your potential refuses to display indignation against the mess we have been forced into, HE IS NOT GOOD MATERIAL, and never will be! DROP HIM AT ONCE. NEVER NAME WHO IS CAUSING OUR TROUBLES YOURSELF. Lead YOUR POTENTIAL TO BLAME the sacred cows (you would not want him to think that YOU were one of those insane, hate-mongering, racist, rabble-rousing ANTI-SEMITES, would you?)"

[redacted] Houston Police Department, advised on October 22, 1957, that he has talked to T-1 regarding the Unknown Organization and T-1 has furnished him about the same information. He stated that he has seen copies of "Common Sense" which T-1 says he has received through the mails. He advised he has known T-1 for a number of years and for this reason T-1 has confided in him.

ANTI-ZIONIST PROPAGANDA
SENT

TEXAS, FROM PHOENIX, ARIZONA
INTERNAL SECURITY - X

Re Washington Field Office letter September 18, 1957, captioned "Distribution of Anti-Semitic Literature Informant, Information Concerning (Subversive Control)," and airtel October 14, 1957.

The information referred to in reurlet could have emanated from a follower of any one of a number of anti-Semitic organizations currently active in the United States.

A review of the chart furnished to the Bureau by re Washington Field Office letter indicates that it was probably prepared by an individual who utilized material from the publications of the so-called "hate groups" in its preparation. The photographs and photograph captions appearing in this chart are identical to those which have appeared in issues of "Common Sense" under the caption "The Coming Red Dictatorship. Asiatic Marxist Jews Control Entire World as Last World War Commences. Thousands of Plotters Placed in Key Positions by Invisible Government. Few Were Ever Elected." "Common Sense" is published by the Christian Educational Association of Union, New Jersey (CEA). Articles appearing in "Common Sense" under this caption have included fifty photographs of individuals alleged to be Zionists who wield political influence in the United States. In addition, the chart furnished by Washington Field Office contains a statement that the "Protocols of the Learned Elders of Zion" are published in America at 530 Chestnut Street, Union, New Jersey. This is the address of the CEA.

On December 17, 1954, the House Committee on Un-American Activities published a "Preliminary Report on Neo-Fascist and Hate Groups" in which the growth, objectives and editor of "Common Sense" are discussed at length. The report describes "Common Sense" as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the committee."

For your information the Bureau has investigated the CEA for the purpose of determining whether its activities warranted designation under Executive Order 10450. By memorandum May 13, 1957, the Department advised that from a review of available information the organization and its activities were not such as to bring it within the purview of Executive Order 10450. On the basis of the Department's decision, the Newark Office, office of origin in the case, was instructed by Bulet May 22, 1957, to conduct no further investigation re the CEA.

Inasmuch as it appears it will be necessary to interview the subject prior to closing this case, the Newark Office may desire to have T-1 in rerep discontinue his contact with subject at this time. It is noted that the Newark Office has observed that in view of T-1's inquiries of subject in this matter an interview at the present time of subject might disclose the identity of T-1. In view of the Department's request for investigation in this case, the Bureau desires that the Newark Office give this investigation thorough and continuous handling in order to bring it to a logical conclusion in the near future.

NOTE: In July, 1957, the Department requested a Registration Act investigation be conducted of the subject in view of info it had received from Customs, NYC, that subject had received Egyptian propaganda material in quantity. Newark has an informant who has contacted the subject and obtained some information of interest in this investigation. Informant has learned of the identities of some of the subject's contacts abroad and informant has indicated in his opinion he does not believe the subject is representing a foreign government in any way. The subject publishes a bimonthly newspaper called "Common Sense." The House of Representatives Committee on Un-American Activities in 1954 described the paper "Common Sense" as a "hate sheet and as being anti-Jewish." Westernport, Md
October 30, 1957

Gentlemen:

I received the enclosed matter yesterday thru the U. S. Mail. You will note that it was mailed at Keyser Post Office. I am not too sure that there is anything that can be done about people who deal in such trash, but I feel that there should be.

If I have learned anything, it is that the attempt to create dissention, and set one group against another, is essentially a communist (or 'fascist') activity - I do not feel that these things should be allowed to grow in our country.

You are undoubtedly quite familiar with this outfit in Philadelphia that peddles this material. Their "Anti-communist" label does not deceive me. I am disturbed to find this material being distributed in this rural area. I know larger cities have a lot of this sort of thing going on, but we have always been free of that sort of thing here. I would be very much interested to learn who (or whom) have spent money for this, and the distribution of it. I also resent having it sent to me, as I have always considered myself entirely too sensible to associate myself with any such bigoted material or organizations. In fact, I am a little angry about it or I would not have sent it to you. This is the first time in my 48 years of living that anyone has had the 'crust' to send me anything like that.

The puzzling part of this is that in these three or four counties surrounding Keyser (and including the City Of Cumberland) there are probably not over 200 Jewish people in over 100,000 pop., and, generally, (insofar as I know, and I get around a good bit) are pretty nice people and public-spirited citizens. Why deal in Anti-Semitism in an area where there are so very few Jews???

Any reply you can make to this letter will be appreciated and will be held in strict confidence if requested.

P.S. I am not Jewish- (Penna German and a protestant)

TOTAL INTEGRATION MEANS . . .

Obviously relishing integration, these northern Negroes have already taken white wives.

The pictures shown here should be of particular pride to the rabid advocates of racial integration and inter-racial "brotherhood," for they illustrate the ultimate of integration. This is what NAACP agitators have in mind when they boast that eventually the . . . "race problem will be solved in the bedroom." This, too, is what the Ford Foundation, the National Council of Churches, the National Conference of Christians and Jews and other professional race-mixing agencies are preparing YOUR children for. Enemy in time of war is TREASON. Communism is a **known** mortal Enemy of the United States and the American people. Call it "cold" or call it "hot", we are at **total** war with that Enemy. Those three "Decisions" **unquestionably** give aid and comfort to that Enemy. By that token, they are acts of TREASON!

A soldier, be he a General or a GI, who would commit similar acts of aid and comfort to the Enemy, would promptly be Court Martialed, and, if found guilty, shot as a traitor.

A Supreme Court Justice is no more immune for acts of aid and comfort to the Enemy than a General — or a **Julius Rosenberg**. For him there is also a form of Court Martial, to wit: IMPEACHMENT PROCEEDINGS. For their acts, Chief Justice Warren and all the Justices who concurred in those "Decisions" must be haled before Congress, and, if found guilty, they should not only be impeached, but should get the same kind of punishment that a Court martial would mete out to a General who would betray his army on the field of battle — or that was meted out to the Rosenbergs!

Only Congress has the power to place a Supreme Court Justice on trial — via the impeachment process.

Every member in both Houses of Congress has an obligation and a sworn duty to protect and defend the United States, the Constitution, the American people.

Hence, this is an urgent appeal by the American people to all members in both Houses of Congress to fulfill their oaths — to summon forthwith for

proper trial all those Justices who collaborated in those three treason-packed "Decisions".

I, the undersigned, a citizen of the United States, hereby request and urge my representative in the House of Representatives to join with other members of that House and initiate the necessary first steps for the impeachment of the Supreme Court Justices named in this document . . . I further request and urge the Senators of my State to join with other Senators to carry out the final step to impeach all those Justices.

CO-DEFENDANTS

Also wanted for trial and impeachment, on the same charge, are: Justices Brennan, Black, Clark, Douglas, Frankfurter, Harlan and Reed.

The following are the Specific Acts contained in the charge: No. 1) The "DESEGREGATION DECISION", which aids and abets the plans of the Communist Conspiracy to (A): create tension between Negroes and Whites; (B): to transform the South into a BLACK SOVIET REPUBLIC; (C): to legalize and encourage intermarriage between Negroes and Whites — and thus mongrelize the American White Race!

Documentary proof that this "Decision" directly conforms with Directives from Moscow is contained in the following excerpt from the book, "A RACIAL PROGRAM FOR THE 20th CENTURY", written by one Israel Cohen, a Communist Party top functionary in England:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America, we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause."

That book was written in 1913 . . . the ADL and

NAACP were created immediately after that — to carry out that DIRECTIVE!

NOTE: The above excerpt was entered into the Congressional Records of June 7, 1957, by Rep. Thos. G. Abernathy.

Further documentary proof: in 1935 the Communist Party's "Workers Library Publishers" issued a pamphlet entitled "THE NEGROES IN A SOVIET AMERICA". It urged the Negroes of the South to rise up, form a Soviet state, and apply for admission to the Soviet Union . . . it contained implicit assurance that the "revolt" would be supported by all American Reds . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that — "Any act of discrimination or prejudice against a negro will become a crime under the Revolutionary law . . ."

AND THAT "DESEGREGATION DECISION" TRANSFORMED ALL THOSE COMMUNIST DIRECTIVES INTO RIGID LAW OF THE LAND !!!

Furthermore, by his own admission, Warren ignored our Constitution when he wrote that "Decision" — admits he based it on the "modern scientific authority" of known Communists who have publicly proclaimed contempt for our Constitution and hatred for our form of Government.

Can there be any doubt that that "Decision" was framed to conform with those Communist Directives? . . . There is one sure way to find out — through impeachment proceedings!

No. 2) For 40 years the FBI has been the stone wall that stood between the Communist Conspiracy and

the survival of our Country. Through all those years it was the FBI that smashed all the Reds' plots — and unmasked the plotters . . . It was the information in the FBI files that enabled the Congressional Committees to function — that enabled the Justice Department to convict the Rosenbergs and all the other Reds . . . it was the FBI files that kept the Red rats impotent and skulking in their holes.

Throughout those 40 years the Reds and their allies frenziedly smeared and vilified and tried in every way to destroy the FBI — and to gain access to its files! But it (FBI) was invulnerable to all their attacks — it was protected by Congress, and doubly protected by the high regard and esteem of the American people. And it continued to stand as the impregnable barrier between the Enemy and our Internal Security.

Hence — if the Great Conspiracy was to succeed the FBI had to be destroyed!

So, on July 17 of this year, Earl Warren and his Associate Justices handed down two "Decisions" — the "Jencks" and the "Watkins" Decisions . . . Those two "Decisions" shatter the FBI as a barrier to the security of our nation . . . they freed convicted traitors . . . they muzzle our Congressional Committees . . . they nullify all our protective laws against the Communist Conspiracy . . . they open wide the FBI files to all the shysters who defend the Reds and renegade American traitors!

Those three Decisions, if allowed to stand, will completely destroy all of our defenses — they clear the way for the destruction of our Country and the conquest and enslavement of our people by the Communist Conspiracy!

Under our laws, giving aid and comfort to an

DETAILS:

T-1 about June or July, 1957, [redacted] Customs of the Port of New York, advised the Department of Justice, Washington, D. C., that CONDE MC GINLEY at Box 807, Union, New Jersey, was receiving from overseas propaganda materials. [redacted] provided the following two samples:

- ✓ (1) One copy of an article entitled "Anglo-French 'Police Action' (?) in Port Said," [redacted] who was described in the article as the "Swedish Journalist Photographer." The article was printed for "World-Truth, Box 44, Jerusalem, Jordan." Photographs and the text of the article describe "Imperialism, aggression, terror, murder, crime" perpetrated by the "Anglo-French forces which invaded Egypt under the pretense of restoring peace."
- (2) One copy of the January, 1957, issue of a magazine entitled, "The Scribe." The magazine was printed by "DAR AL-HILAL." Many photographs and some text, [redacted] make up the magazine. "The Scribe" describes the "looting and stealing" by British troops at Port Said.

T-1 advised on October 16 and December 16, 1957, that MC GINLEY has a contact in Vienna, Austria, a [redacted] (Name at first believed to be [redacted] who was deported shortly after arriving in the United States in 1957 under the Hungarian refugee program. [redacted] had something to do with the Nazi movement in Hungary during World War II. T-1 stated [redacted] presently resides at [redacted] and has very recently sent an unidentified associate of MC GINLEY some material to translate into English for MC GINLEY.

The March 5, 1957, issue of the Newark Star Ledger, a daily newspaper published in Newark, New Jersey, contained the following article regarding [redacted]

"A one-time Hungarian Nazi propagandist and war criminal who entered this country as a refugee from communism has been deported, the American Jewish Committee said today.

"He was identified as [redacted] former head of the ideological department of the Hungarian Nazi puppet regime during World War II.

NK 97-173

"The committee said [] was escorted by immigration authorities to an airplane here yesterday and left for Austria.

"It said [] was sentenced as a war criminal at the end of the war and escaped from prison during the recent Hungarian rebellion."

The records of Immigration and Naturalization Service (INS) Newark, New Jersey, contained the following information on []

[] entered the United States on January 4, 1957, under the Hungarian Emergency Refugee Program. Prior to entering the United States he was a professor in Hungary (1926-1944) and wrote 42 books mainly about Hungarian history. [] Hungarian Ministry of Justice [] advised he prepared a case against [] who was tried on several charges of Nazi activity, the main charge being that he was a Nazi historian and extolled Nazi theories and organization. The former counsellor also advised that at the end of World War II, [] was extradited to Hungary by the American forces (October, 1945), tried by the "People's Court," found guilty and sentenced to imprisonment for several years. [] was returned to Vienna on March 5, 1957, according to INS records.

T-1 stated on December 16, 1957, that he believes MC GINLEY's contact to be identical to [] described above.

[] previously identified, advised SA [] on December 3, 1957, that he has no further information regarding literature consigned to MC GINLEY and that no similar shipments to that previously reported have been called to his attention.

PROTOCOLS

of the Meetings of the
LEARNED ELDERS OF ZION

Translated from the Russian
of Prof. Nilus

by
VICTOR E. MARSDEN
(Formerly Russian Correspondent to
"The Morning Post", London, Eng.)

The PROTOCOLS outline a course of action, a step-by-step plan, the culmination of which is the enslavement of all Christians. Most of the objectives set down in the PROTOCOLS have been attained! The reader will easily discover how the creation of wars and revolutions, the utilization of communications, money and politics fall into a predetermined scheme.

Mr. Henry Ford, in an interview published in the New York World, February 17, 1921, put the case of Nilus tersely and convincingly thus: "The only statement I care to make about the Protocols is that they fit in with what is going on. They are sixteen years old and they have fitted the world situation up to this time. THEY FIT IT NOW."

THE FEDERAL RESERVE CONSPIRACY by Eustace Mullins

What causes depressions? Who owns the Federal Reserve banks? How did it happen that both America and Germany benefited from the financial advice of the same individual during World War I?

The shocking answers to these and many other questions are available for the first time in this absorbing book. A revealing, "behind-the-scenes" expose of America's financial situation.

Price \$1.00 - 6 for \$5.00.

JEWISH "ANTI-COMMUNISM" by George Pickney

A timely expose of events leading up to the coming disaster and the people behind world Communism. JEWISH "ANTI-COMMUNISM" is a well documented, authoritative account of the important role played by the upper echelons of Jewry to further the Marxist plan. Read what the Jews themselves say.

COMMUNIST-SOCIALIST PROPAGANDA IN AMERICAN SCHOOLS

by Verne P. Kaub

This book is a MUST for all those interested in what the nation's youth — tomorrow's leaders — are being taught. Mr. Kaub offers incriminating evidence, found in official NEA publications, proving his contention that so-called progressive education is in reality, subversive education.

Price \$2.50

FACTS ARE FACTS

by Benjamin H. Freedman

An enlightening, thoroughly documented account of the origin of the modern, "self-styled" Jews. Using excerpts from The Talmud and other Jewish sources, Mr. Freedman, a former Jew and one of the world's foremost authorities on the subject, presents his data in a convincing and comprehensive manner. This book gives a better understanding of the background, origin and reason for subversive movements.

Price \$1.00 - 6 for \$5.00

THE UN RECORD

by Chesly Manly

The author is a top writer with the Chicago Tribune since 1929, and for nine years Tribune correspondent to the United Nations.

Mr. Manly brings out that the U.N. has caused the United States alone to undertake the responsibility for the defense of 50 nations, and that the U.S. has army, navy and air force units at 950 bases and stations overseas.

One of the many outstanding facts brought out is that since the U.N. was founded, the communists have expanded their slave empire from 200,000,000 to 850,000,000 — one-third of the human race. (243 pages)

BE INFORMED . . . SPREAD THE TRUTH

Communism is rapidly enveloping the entire world, unhampered by the forces of Christianity and the efforts of Christian leadership. Why? Why are the American people ignorant when it comes to the one movement which will ultimately destroy them and their families? The answers to these questions are obvious when the facts are known regarding the control of the press and other means of communication. The American people are being prevented from knowing what atheistic Communism is. The truth is not allowed to be uttered over the radio or television or printed in the press. Good American authors work hard writing books and then find it difficult or impossible to have them published. The following is a list of some of the finest works available.

GENTLEMEN:

AS A CITIZEN OF THE UNITED STATES, AND A MEMBER OF THE JEWISH FAITH, I DEEPLY RESENT THE PUBLICATION IDENTIFIED AS "COMMON SENSE" WHICH WAS ENTERED AS SECOND CLASS MAIL AT THE POST OFFICE AT UNION, NEW JERSEY, WITH THE EDITOR AS CONDE MC GINLEY.

THIS PUBLICATION "COMMON SENSE" IS PUBLISHED TWICE MONTHLY FROM THE ADDRESS 305 CHESTNUT STREET, UNION, NEW JERSEY; WITH A TRADE MARK REGISTERED IN THE U.S. PATENT OFFICE.

THESE PUBLICATIONS APPEAR TO BE FLOODING THIS AREA THROUGH THE MAIL AND NO DOUBT IS AN INCITEMENT FOR RACIAL HATRED.

I AM APPEALING TO YOU TO DETERMINE WHAT IF ANYTHING COULD BE DONE TO PREVENT THIS INSIDIOUS PUBLICATION FROM GOING THROUGH THE MAIL. IT IS FILLED WITH HATE, UNTRUTH AND UNLESS THIS PUBLICATION IS STOPPED, IT WILL ONLY RESULT IN STIRRING OUR PEOPLE AGAINST EACH OTHER - FAITH AGAINST FAITH.

I HOPE THAT YOU MIGHT BE ABLE TO SUGGEST SOMETHING CONCRETE TO STOP THIS UNFORTUNATE PUBLICATION FROM CONTINUING ALONG THE SAME LINES AS THE DEARBORN INDEPENDENT ATTEMPTED IN THE EARLY 1920'S.

I SHALL LOOK FORWARD TO A REPLY AT YOUR EARLIEST OPPORTUNITY.

Dear Mr. Hoover:

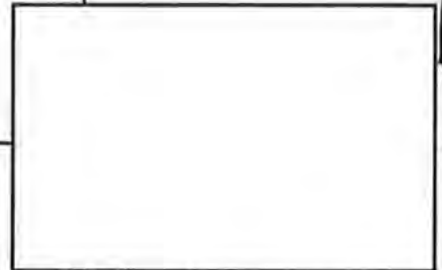

I am enclosing a copy of a paper titled "The Coming Red Dictatorship" which is a product of Christian Educational Assn., Union, N. J.

You no doubt, have had this paper referred to you many times, since the subject is not new. I would appreciate hearing from you regarding this paper, stating if any or all of it's contents are true or false.

I would like to beleive they are false, but since a goodly number of books have been written, including "The Iron Curtain Over America" by Prof. John Beaty, I am inclined to believe a goodly portion of the items presented on this sheet are true.

I will be very glad to hear from you regarding this very important subject.

Dear Sir:

I am a member of the Parents' Preference
Committee and am sympathetic with the
Cause of the Committee for Constitutional
Government in Tennessee. I have written some
pamphlets and a few letters to the Editor of
the Nashville Tennessee "Banner" Newspaper
have attached with all of my comments
on the unconstitutional use of the
in Little Rock, and the general trend toward
Centralization in our constitutional government
of the Federal Judiciary and Executive
government. I think the integration question
should be settled by direct vote by ballot
box. I believe in all things all to be
to preserve the wall of the majority of each state on
local issues.

EX-135
REC-76

APR 15 1958

after I wrote some pamphlets, I received a copy of a paper called "Common Sense" printed in Union, New Jersey. This paper claims to be "the nation's anti-Communist paper." I would like for you to tell me if this paper ~~is a Communist front paper~~ ~~is a Communist front paper~~ or is it an accurate American paper?

In its Aug. 1st 1957 issue it named the following prominent people as having Communist front citations:

1. Congressman Adam C. Powell, Jr. (66 Citations) Comm. Front
2. W. E. B. DuBois (under NAACP) 72 Comm. Citations front
3. Roy Wilkins, Executive Sec. NAACP (9 Comm. front Citations)
4. Thurgood Marshall, Special Council NAACP (5 Comm. Front Citations)
5. Arthur Spingarn, President NAACP "has contact with many Communist front organizations"
6. Channing Tobias, Asst. Treasurer NAACP "has 50 Communist front listings"
7. Paul Robeson "has over 150 Communist citations"

8.

NYC
b6
b7C

- 16 Communist front Citations
9. Dr. Ralph Bunche, Deputy Secy. Gen. U.N. National Director NAACP (7) Red Front Citations

(Continued)

Citations from 3 Aug. 1957 "Common Sense!"
Herbert Lehman, Director in NAACP has 10
Communist front Citations.

Judge Felix Frankfurter, (quote) "Packed the
New Deal with Reds. Before appointment to
Supreme Court was attorney for [redacted]
[redacted] anarchists, and [redacted] Communist, also attorney for Red dominated
NAACP." b6 b7C

Each of the above was taken directly from
this paper. If this is correct, please let me
know since if it is so, I would like
to reprint this article in my Pamphlets.

If it is ~~so~~ so why ~~don't~~ don't
these people sue the "Common Sense"?
If it is so why hasn't the F.B.I. got the
goods on these people for the traitorous persons
they are? Will the F.B.I. wait until there
is a military dictatorship over the Nation
as there is in Little Rock, Ark. at this very
moment, and then try to crack down on
the leaders of these Communist Fronts in high
places? Or has the F.B.I. been out-maneuvered
or battled up? I have always had great im-
pression in you and your organization. I will do.

I have long believed that the only way America could be conquered, like Rome was from within. We must not let this happen under our noses.

Is there really an active attempt to ~~completely~~ reduce to nothing the state sovereignty and make an all powerful Federal government ruled by a number of judges and a military General or two? ^(this is over simplified)

If there is, then, if the few in the power at Washington had abolished the state militia, the state legislative power and other Constitutional rights and had consolidated all military branches and done away with the joint Chiefs of Staff and blocked the C.I.A and the F.B.I. by Supreme Court unconstitutional original jurisdiction ^{decree}; then if these Federal Rulers were Communist Party members, who would stop them from rendering a Supreme Court decree that the United States was now part of the U.S.S.R. because to segregate ourselves from them threatened their personal ~~ideas~~ etc etc. Could this really happen? would our people be able to overthrow a Red government armed with H-Bombs here in America? (over)

T.

Please send me a list of Communist
Front organizations; and tell me if the
"Common Sense" is an accurate paper
and particularly the persons quoted therein
as Communist Front Citations (what does the
term "Citations mean") are really Pro Communists.

b6
b7C

Yours truly

P.S. I went by the local F.B.I. office
in the Federal Bldg on Broadway in
Nashville and asked for a list of
actively Negroes who they said they
were. This surprised me. How in the
world can the American people be so
foolish about our enemies when the F.B.I.
itself doesn't want to know who they
would be receiving by printing these and
having them at party dinners, loaning
all federal & public buildings. This should
be done, people can support Communist
front organizations in ignorance. We should
not be ignorant, these should be known for the
snake pits they are.

March 21, 1958

Mr. J Edgar Hoover
Director, F. B. I.
Washington, D. C.

Dear Sir:

I am a member of the Parents' Preference Committee and am sympathetic with the cause of the Committee for Constitutional Government in Tenn. I have written some pamphlets and a few letters to the Editor of the Nashville, Tennessee "Banner" Newspaper.

I have attacked with all of my limited means the unconstitutional use of troops in Little Rock, and the general trend toward centralization in an unconstitutional manner, of the Federal Judiciary and Executive branches of government. I think the integration question should be settled by direct vote by both races. I believe in using all legal means to preserve the will of the majority of each state on local issues.

b6
b7c

After I wrote some pamphlets, I received a copy of a paper called "Common Sense" printed in Union, New Jersey. This paper claims to be "the Nation's Anti-Communist Paper." I would like for you to tell me if this paper is a Communist Front-paper or is it an accurate American paper?

In its Aug. 1st 1957 issue it named the following prominent people as having Communist front Citations:

1. Congressman Adam C. Powell, Jr. (66 citations) Comm. Front
2. W. E. B. DuBois (founder NAACP) 72 Comm. Front Citations
3. Roy Wilkins, Exicutive Sec. NAACP (9 Comm. front Cit.)
4. Thurgood Marshall Special Council NAACP (5 Comm. Front C)
5. Arthur Springarn, President NAACP "has contact with many Communist Front organizations."
6. Channing Tobias Asst. treasurer NAACP "at least 50 Communist-Front listings"
7. Paul Robeson "has over 150 Communist Citations to his credit"
8. [redacted] "16 Communist-Front Citations"
9. Dr. Ralph Bunche Deputy Secy. Gen. of U.N. National Director

3-23-60 SPS JCLmc

[redacted] continued

NAACP (7) Red Front Citations

quotations from Aug. 1957 "Common Sense."

Herbert Lehman, Director in NAACP has 10 Communist Front Citations. Judge Felix Frankfurter (quote) "packed the New Deal with Reds. Before appointment to supreme Court was attorney for [redacted] anarchists, and [redacted] Communist, also attorney for Red dominated NAACP."

b6
b7c

Each of the above was taken directly from this paper. If this is correct, please let me know since if it is so, I would like to reprint this article in my pamphlets.

If it is so why don't these people sue the "Common Sense"? If it is so why hasn't the F.B.I. got the goods on these people for the traitorous persons they are? Will the F.B.I. wait until there is a military Dictatorship over the nation as there is in Little Rock, Ark at this very moment and then try to crack down on the leaders of these Communist Fronts in high places? Or has the F.B.I. been out-maneuvered or bottled up? I have always had great confidence in you and your organization. I still do.

I have long believed that the only way America could be conquered, like Rome was from within. We must not let this happen under our noses.

Is there really an active attempt to completely reduce to nothing the state sovereignty and make an all powerful Federal government ruled by a number of judges and a military General or two?
(I realize this is over simplified)

If there is then, if the few in the power at Washington had abolished the state militia the state Legislative, Judicial and other Constitutional rights, and had consolidated all military Branches and done away with the joints Chiefs of staff had blocked the C.I.A. and the F.B.I. by Supreme Court unconstitutional original Jurisdiction decrees; then if these Federal Rulers were Communist Party members, Who would stop them from rendering a supreme Court decree that the United States was now part of the U. S. S. R. because to segregate ourselves from them thwarted their Personalities etc. etc. Could this really happen? Would our people be able to overthrow a red government armed with H-Bombs here in America? Please send me a list of Communist Front organizations; and tell me if the "Common Sense" is an accurate paper and particularly ^{of} the person's quoted herein as having Communist

 continued.

Front Citations (what does the term "citations mean?) are really
Pro Communists.

Yours truly,

P. S. I went by the local F. B. I. office in the Federal Bldg on Broadway in Nashville and asked for a list of Un-Ameri activity Groups but they said they didn't have any. This surprised me. How in the world can the American Public be informed about our enemies when the F. B. I. itself dosen't possess this information. This could be remedied by printing thiss and having them at Post offices, Train depots, all Federal & Public buildings. This should be done, People can support Communist front organizations in ignorance. We should not be ignorant, these should be known for the snake pits they are.

Mr. J. Edgar Hoover,
Director, Federal Bureau of Investigation,
Washington, D. C.

Dear Sir:

As a Patriotic American, I would like for your office to check for me and see if a newspaper known as "Common Sense" edited by Conde McGinley, 530 Chestnut Street, Union, New Jersey, is an Anti-Communist paper as advertised.

If this newspaper is not "Red Tinged" I am very much interested in circulating it among my friends and acquaintances along with other information I have received in reading the reprint of your book "Masters of Deceit" in the Detroit Times.

I worked at the Atomic Engery Plant at Oak Ridge, Tennessee, as an electrician during the last part of the war. I was screened by the Army Intelligence and F.B.I. before I went to work at this plant. My "Loyalty Oath File" is of the same standing except that I am now a member of Lotus Lodge #625, F & AM, Toledo, Ohio, and an active member of Local Lodge #1047, International Brotherhood of Electrical Workers and employed by the New York Central Railroad as an electrician at Stanley Diesel Electric Shop, Toledo, Ohio.

I would appreciate any information concerning the above mentioned newspaper that you may be able to furnish me as I am well aware of the fact that my country has been slipping fast into the hands of the communists for the past twenty-five years.

Mr. J. Edgar Hoover, Director

Dear Mr. Hoover:

I am taking the great liberty of writing you directly to ask your advice on a matter which has profoundly disturbed me.

b6
b7c

Some weeks ago, I received a piece of mail addressed to me as: [redacted]

[redacted] Upon opening the wrapper, I discovered three issues of a paper carrying the title "Common Sense" This publication sees fit to describe itself as the "only anti-Communist newspaper in the United States" In reality, it is a vicious anti-Semitic smear sheet. I have heard of such publications, but had never before seen one., or at least not of the anti-Semitic variety.

Ordinarily, this sort of thing angers me, the real reason I am incensed at this rag is the fact that it was address to me as "Commander" This can only refer to my status as [redacted]

[redacted] While I probably could not prove it, I believe that this publication is using the mailing list of the Department of New Jersey, CWV. The misspelling of my name and other facts lead me to this belief.

I showed this filthy thing to a friend of mine who is located in the Pentagon. He advises me that the section of G-2 to which he took it is interested enough to have put in a covert subscription just to keep an eye on it.

Mr. Hoover, I am writing to ask you whether, in your opinion, any good purpose would be served in open opposition to these groups. They set Catholic against Protestant, Christian against Jew, white against Negro. Their claim to be anti-Communist reminds me of the reply the late Huey Long made when a reporter asked him: "Senator, do you think we will ever have Fascism in this country?" The wiley old Kingfish replied: "Sure we will; only we'll call it Anti-Fascism."

I wonder just which side these people are on. Surely these tactics to divide our people are not to the best interests of the United States.

I assume you would not wish to be quoted by me in this matter, and if so your wishes will, of course be respected. I would, however, greatly appreciate any advise you may be pleased to give me. Frankly, Mr. Hoover, you are the only person to whom anyone in this situation can turn.

Very Truly Yours,

Dear [redacted]

Your letter dated April 18, 1958, has been received and the interest which prompted your communication is appreciated.

While I would like to be of assistance to you in connection with your inquiry, I must advise that the FBI is strictly a fact-gathering agency and it is not within the limits of its prescribed functions to make evaluations or draw conclusions as to the character or integrity of any organization, individual or publication. I, therefore, do not believe it would be proper for me to make any suggestions or recommendations regarding the matter discussed in your letter.

The publication, "Common Sense," has been the subject matter of hearings conducted by the Committee on Un-American Activities, United States House of Representatives, and is discussed in its "Preliminary Report on Neo-Fascist and Hate Groups" dated December 17, 1954. It is suggested that you may desire to communicate with that Committee to obtain a copy of its report.

Sincerely yours,

NOTE TO SAC, NORFOLK CONTINUED:

The Christian Educational Association (CEA), Union, New Jersey, is the publisher of a paper known as "Common Sense." The House Committee on Un-American Activities, in 1954, described "Common Sense" as a "hate group" which published "some of the most vitriolic hate propaganda ever to come to the attention of the committee." The CEA was the subject of a Bureau investigation to determine if its activities warranted designation under Executive Order 10450. On the basis of a decision of the Department, the Newark Office, the office of origin, was instructed in Bureau letter dated 5-22-57 that the activities of the organization did not bring it within the purview of Executive Order 10450. Conde McGinley, editor of "Common Sense," is the subject of a current Registration Act investigation in the Newark Office in view of alleged distribution of pro-Arab propaganda in the United States. (105-9621)

The above is furnished for your information.

NOTE ON YELLOW:

Correspondent complains of the receipt of "Common Sense" which he describes as a vicious anti-Semitic smear sheet. His only request is that the Bureau advise him whether "any good purpose would be served in open opposition to these groups."

We are being fed on political tranquilizers to keep us in a dully

KNOW YOUR ENEMY

WOMEN OF AMERICA the ENEMY'S PLAN is carefully made. It includes every department of American life. It dovetails at every point. There has never been in the history of the world a plan, so complete, so diabolical, so evil, OR WITH SO MANY "IF'S". The men of our nation hope it isn't true. Men are realists they will admit it down and expose it. For half a century through two world wars this MASTER PLAN has been carefully nurtured and carried through with masterful cunning and care. AND THE ENEMY IS WITHIN OUR COUNTRY AS WELL AS OUTSIDE. IT IS A WORLD GOVERNMENT, INVINCIBLE, EXISTING IN EVERY NATION GIVING ALLEGIANCE TO NO NATION. At present the Iron Curtain conceals the chief operations in the ZIONIST COMMUNIST SLAVE STATE OF RUSSIA, THE BLUE PRINT FOR COUNTRIES INCLUDING THE UNITED STATES OF AMERICA. THE OBJECT AND AIM OF THIS MASTER PLOT IS TO ENSLAVE AMERICA AND THE WORLD AND BANISH HUMAN LIBERTY FOREVER FROM THE EARTH. MANY OF OUR LEADERS ARE SO CAUGHT IN THE NET OF THIS MASTER PLOT THAT THEY DARE NOT SPEAK OUT— WOMEN WILL SPEAK OUT.

TAXES AND ECONOMY

WHEN THE CHRIST WAS PREACHING PEACE AND GOOD WILL NO ONE DISTURBED HIM: BUT WHEN HE DROVE MONEY CHANGERS OUT OF THE TEMPLE—began to expose the usury and economy—WITHIN HE WAS ARRESTED, TRIED, AND CRUCIFIED. When any of our leaders today begins to expose the PLOT AGAINST OUR ECONOMY HE IS SILENCED, HIS CHARACTER ASSASSINATED AND HIS LEADERSHIP READ: American Mercury Magazine Jan., 1958, "Money Made Mysterious". Write for this copy 250 West 57th Street New York 19. Every effort is being made to suppress this magazine because it is telling the truth, simply, without abuse, or anger.

Heavier and heavier TAXES are being imposed and more and more ways found to use and TAX MONEY in order to gradually strangle and choke off all free business enterprise American and slowly but relentlessly bring in a completely government owned business economy and a slave state. This is deliberately planned Women of America. The idea is we can be slowly strangled to death without protesting or knowing its happening. Ask yourselves if this Zionist money changer Bernard Baruch is a deliberate saboteur of our American economy? Self appointed "ADVISOR TO PRESIDENTS". Is it pure coincidence since he has been the economic advisor to American Presidents, from Wilson on, that the National Debt has risen from nothing to over 285 billion dollars? You can get the story about the sabotage of our economy and you must SEND FOR AND READ THE BOOK "THE FEDERAL RESERVE CONSPIRACY" by Eastace Mallins. \$1.00 pub. Common Sense 570 Chestnut ST. NEW JERSEY. This is the most important true detective story you have ever read. DID YOU KNOW -The federal Reserve Bank is not "Federal" at all. It is owned by PRIVATE ZIONIST USURERS WHO HAVE A STRANGLE HOLD ON OUR COUNTRY. The article mentioned above will tell you how they got control.

LAW AND ORDER ARE BEING UNDERMINED IN AMERICA BY THE DECISIONS OF THE SUPREME COURT WHICH ARE USURPING THE POWERS DELEGATED TO OUR ELECTED REPRESENTATIVES.

Just in passing, you should know Women of America, that the Old Testament is not the Holy Book of the Jews as you have been lead to believe. The HARMONIAN TALMUD (which Warren so admires) is their Holy Book. It is such a FILTHY AND EVIL BOOK THAT THE ZIONISTS WILL NOT PERMIT IT TO BE PRINTED IN ENGLISH. Dont be fooled by the cleaned up edition to be printed shortly. Do you know Women of America that since the MALLORY DECISION OF THE SUPREME COURT, a communist cannot be punished or detained. Do you know that crime has become so bad in our National Capitol that it is dangerous for a woman to walk alone on the Streets of Washington D.C. at night? All over our country judges are afraid to punish criminals lest the Supreme Court reverse their decisions. HOW BAD CAN THINGS GET BEFORE WE ACT??

SUBJECT:

Supervisor [redacted] of the New York Office advised tonight shortly before 6:00 p.m. that the New York Office was sending the May 1 issue of "Common Sense," a publication by Conde McGinley, an anti-Zionist publication put out in Union, New Jersey, which, despite its May 1 date, will go on the news stands tomorrow in New York.

The feature article in the publication is on the Director's book, "Masters of Deceit," and claims that the book must have been written by the Anti Defamation League and the American Jewish Committee and points out that there is no connection between Jews and communists and anyone reading it would recognize that the B'nai B'rith must have sneaked its propaganda into the book by the Director.

Dear [Redacted]

Your letter of May 20, 1958, with enclosures, has been received, and your interest in writing is appreciated.

It was thoughtful of you to furnish me the clippings regarding "Masters of Deceit," and the other material.

While I would like to be of assistance in connection with your inquiry, I must advise that the function of this Bureau as a fact-gathering agency does not extend to furnishing evaluations or clearances of individuals or organizations. To comply with your request would, in effect, constitute an approval or disapproval of the publication you enclosed; therefore, I regret to inform you that I am unable to do so. I am sure you will understand the necessity for this policy and will not infer that we do or do not have in our files the information you desire.

Dear Mr. Hoover:

I am enclosing herewith A couple of clippings from The Daily Oklahoman May 18 Issue, which may be of interest to you. One is like a bouquet of roses which I heartily approve and agree in its entire context. The other reminds me of a Clump of dog fennel, the odor of which is quite obnoxious and somewhat similar to that of a skunk.

Also inclosed is a smear sheet which came in the mail to a friend and I'm sure you know about it before this. To those of us that have read it its quite a puzzler. Its definitely anti-Jewish and apparently anti-Communitic- Accusing a God worshipping people of backing the teaching of atheism and carrying out the practices of the Devil himself.

Any information you could give us as to who is behind this and to what purpose would be appreciated.

I'm sure you have seen this travesty on a Free Press. I realize also that our laws are elastic where "stuff" such as this is concerned:- however, my daughter - a devout Democrat sent me this from Santa Monica - (It is her writing). If this were printed in Seattle, I would have directed it to our local F.B.I. office

Maybe I am just an 'eager beaver' but this is so disgusting - and also very attractive to certain types - that I thought someone in authority should see it. It is printed in Union, New Jersey.

Forgive me for adding to the volume of your mail - I am not a Jew - a Jew lover nor a Jew hater. I am Catholic, a Democrat - a precinct worker - and I hope I am a good American. The picture is full of un-American filth.

The Constitution Party Program has been carried by a small number of dedicated patriotic Americans who love their country and its heritage. These people have been carrying a financial burden for the rest of the people—now we must enlist the aid of all patriotic Americans. Many can help by generous contributions and many more can help by spreading the word of the principles of the party. We must have registered members of the Constitution Party in every single precinct with all the people working to save the United States Constitution. This is a never-ending enterprise as there are always those who are dedicated to the disenfranchisement and enslavement of the free man.

The Constitution Party can make America free again and keep it Free.

REGISTER NOW!!!

CONSTITUTION PARTY

CALIFORNIA

WHAT IS THE CONSTITUTION PARTY?

The Constitution Party is a political organization. It is established in 48 states of the Union. In some states only a skeleton organization is in existence. In others it is thoroughly organized and is a recognized Political Party with a complete compliment of candidates appearing on the ballot.

WHO MAY JOIN THE CONSTITUTION PARTY?

Any American citizen who loves his country and is willing to put his nation's honor above all else is welcome to join the Constitution Party.

HOW MAY I VOTE FOR THE CONSTITUTION PARTY?

In order to be known as a member of the Constitution Party it is necessary to go to the registrar of voters or his deputy and register your name as a member of the Constitution Party.

Only those citizens registered as members of the Constitution Party will be eligible to vote for Constitution Party Candidates in the primary elections.

WHAT ARE THE PRINCIPLES OF THE CONSTITUTION PARTY?

The Constitution Party stands for clean, honest and efficient government.

The Constitution Party is in favor of **STATES' RIGHTS** and recognizes the basic Constitutional principle that each state is a sovereign Republic with full jurisdiction over ALL things, persons, and activities within its boundaries including the recognized police powers of the state, health, safety, education, morals as well as the well being of the people.

105-976172

The Constitution Party is in favor of applying the 9th and 10th Amendment of the Constitution.

The Constitution Party is in favor of the Repeal of the 16th Amendment, and all Federal income tax laws, adopting suitable legislation to compel the annual balance of the budget, retirement of the national debt.

The Constitution Party is in favor of providing absolute protection of our Constitution and internal economy from treaties and or executive agreements.

The Constitution Party advocates the economic liberty of American Citizens by removing all statutory obstacles to individual enterprise, and eliminating government ownership or operation of **ANY** business, professional, commercial, financial or industrial enterprise not specified in the Constitution.

The Constitution Party advocates the application of Constitutional checks and balances among the three branches of the Federal Government and positively opposes the alteration of the Constitution or its Intents and purposes by judicial **FIAT** or interpretation.

The Constitution Party advocates that the United States withdraw from the United Nations and its agencies, immediately; **RESTORE** our Flag and Constitution to all members of our armed forces serving abroad; discontinue all useless economic aid to foreign nations; **RETURN** foreign trade to the control of Congress.

Suspend diplomatic relations with Communist Russia and her satellites. **The Constitution Party** proposes that agriculture be allowed to resume its rightful place in the free market without government regulation, and protect the contractual rights of management and labor; apply laws equally against all monopolies whether of business, labor, agriculture, cooperatives, or other groups, insuring the right to work of all people.

The Constitution Party proposes to preserve and enforce selective and protective immigration laws.

The Constitution Party supports the constitutional provision whereby Congress has the power of issuing money and regulating the value thereof; and the right of individuals to own precious metals.

HOW CAN I HELP THE CONSTITUTION PARTY?

The best way to help the Constitution Party is to induce your friends and acquaintances to register as a member of the Constitution Party. Form local precinct assembly action groups. Persuade good men to run for office in your district. Vote only for the candidates who advocate the ideals of the Constitution Party.

IS THE CONSTITUTION PARTY ON THE BALLOT?

Not in California — But — if we get approximately 50,000 Californians to register in the Constitution Party it will appear on the ballot in 1958. In order to be printed on the ballot we must have 50,000 or more registered members in the Constitution Party before January, 1958. This gives us just one year to work—it's not going to "just happen"—we must all work, work, work and then work some more in getting Californians to register.

IS THE CONSTITUTION PARTY A THIRD PARTY?

No. **The Constitution Party** is really the first party—most Americans believe in the Constitution Party principles. The Democrat-Republican Party is actually one party, monopolizing the ballot and confusing the voters and leading them into a one world government and wasting their raw materials, tax money and efforts in an aimless foreign giveaway program.

Reference is made to the attached letter dated June 7, 1958, from the above-captioned individual. makes favorable mention of the Director's book, "Masters of Deceit," but then makes reference to the May 1, 1958, issue of "Common Sense" (which she encloses with her letter). She states that "Common Sense" claims that sixteen pages of "Masters of Deceit" are a clever maneuver on the part of ADL and AJC. (Anti-Defamation League and American Jewish Committee).

As you know, "Common Sense" is a very violent anti-Semitic and the May 1, 1958, issue severely attacked "Masters of Deceit." This publication asserted that Jewish groups obviously had subverted Mr. Hoover to a pro-Jewish position.

It is felt that letter should not be acknowledged as to answer her would probably only encourage further hostile communications. Bufiles contain no record on correspondent.

RECOMMENDATION:

That letter not be acknowledged.

NOTE TO SAC, INDIANAPOLIS CONTINUED:

Bufiles reflect the correspondent wrote to the Bureau on 12-30-54 and 9-12-55 inviting the Director to be the guest speaker before the annual council meeting of the Harrison Trails Council, Boy Scouts of America, Lafayette, Indiana. These invitations were declined by Bureau letters dated 1-5-55 and 9-16-55 due to the uncertainty of the Director's schedule as well as the pressure of official duties.

The Christian Educational Association (CEA), Union, New Jersey, is the publisher of a paper known as "Common Sense." The House Committee on Un-American Activities (HCUA), in 1954, described "Common Sense" as a "hate group" which published "some of the most vitriolic hate propaganda ever to come to the attention of the committee." The CEA was the subject of a Bureau investigation to determine if its activities warranted designation under EO 10450. On the basis of a decision of the Department, the Newark Office, the office of origin, was instructed in Bulet dated 5-22-57 that the activities of the organization did not bring it within the purview of EO 10450.
